McDonald Knolls-Ballantrae-Sligo Estates Green Streets Project

Green Streets Project Area

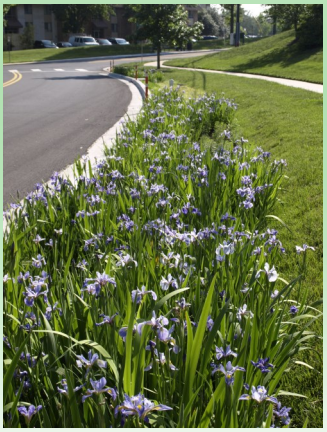
DEPARTMENT OF ENVIRONMENTAL PROTECTION
MONTGOMERY COUNTY • MARYLAND

Working together for a cleaner, greener county.

Public Meeting

Wed, November 18, 2015 7:00—8:30pm

Forest Knolls Elementary School—All Purpose Room
10830 Eastwood Ave., Silver Spring, MD 20901



Join Montgomery County's Department of Environmental Protection to learn about proposed roadside Green Street practices. These include bioswales to control storm-water runoff in the McDonald Knolls-Ballantrae-Sligo Estates roadside right of ways.

This project is part of the County's goal to improve stream conditions in the Anacostia watershed.
