Director

NOTICE OF CURB INSTALLATION ON GLEN MILL ROAD

Dear Resident:

This letter is to inform you of the upcoming curb installation project in your community. The Montgomery County Department of Transportation's (DOT) Division of Highway Services (DHS) will be managing the project, which will consist of installing 230 linear feet of standard concrete curb and gutter in front of 14104 Glen Mill Road.

The work will be performed under contract by D & F Construction, and will include: Trimming and/or removing the encroaching vegetation within county right of way along the sidewalk on the east side of Glen Mill Road, and installing curb and gutter at this location. The county right-of-way in front of your residence may be disturbed by the planned project improvements. Any disturbed areas will be restored directly after the curb and gutter installation and during construction activities.

This project is scheduled to start during the first week of April 2014, and will require approximately seven to ten days to complete, weather permitting. Work hours are from 7 a.m. to 5 p.m. This project will require temporary lane closures within the construction work zone. We apologize for any inconvenience this project may cause and appreciate your patience during the construction activity. If you should have any further questions or comments, you may wish to contact:

DOT Project Manager: Mr. Yisa Adegun 240-777-7641

Should you have any further questions or concerns after the work is completed, you may wish to contact MC311 at http://www3.montgomerycountymd.gov/311/

We thank you for your cooperation and again we apologize for any inconvenience this project may cause. We will work with you to address any of your concerns.

Sincerely,

Yisa Adegun
Project Manager
