NOTICE OF PIPE REPLACEMENT PROJECT AT PARKER AVENUE AND BROADVIEW ROAD

Dear Resident:

This letter is to inform you of the upcoming emergency drainage improvement project in your neighborhood. The Montgomery County Department of Transportation's (DOT) Division of Highway Services (DHS) will be managing the project, which will consist of replacing the failing storm drainage pipe in the county right-of-way located at the intersection of Parker Avenue and Broadview Road.

The work will be performed by the Department of Transportation and will include: Emergency excavation of the existing failing pipe and replacing it with a new Reinforced Concrete (RCP) pipe to restore proper drainage. The county right-of-way in front of your residence may be disturbed by the planned project improvements. Any disturbed areas will be restored directly after the storm drain repairs and during construction activities.

This emergency repair project is scheduled to start on or about January 21, 2014, and will require approximately ten days to complete, weather permitting. Work hours are from 7 a.m. to 5 p.m. Parking will be restricted within the work zone during daily construction activities. We apologize for any inconvenience this project may cause and appreciate your patience during this important construction activity. If you should have any questions or comments feel free to contact:

DOT Project Manager: Mr. Yisa Adegun 240-777-7641

Should you have any further questions or concerns after the work is completed, you may wish to contact MC311 at http://www3.montgomerycountymd.gov/311/

We thank you for your cooperation and again we apologize for any inconvenience this project may cause. We will work with you to address any of your concerns.

Sincerely,

Yisa Adegun
Project Manager
