In case of inclement weather call 301-206-8240 for event status.

WSSC is the 8th largest water and wastewater utility in the nation, with a network of more than 5,500 miles of fresh water pipeline and nearly 5,400 miles of sewer pipeline. Serving 1.8 million residents in Prince George's and Montgomery counties since 1918, our drinking water has always met or exceeded federal standards.
