HEARING EXAMINER'S REPORT AND RECOMMENDATION OF DISMISSAL WITH PREJUDICE

The purpose of this Report and Recommendation is to close the record and to recommend that the Chief Administrative Officer ("CAO") dismiss the above-captioned case because the parties have reached a negotiated settlement of the matter. DKT. 44(a).

This case arose from a determination by the County's Department of General Services that Coakley & Williams and two of its subcontractors, DJB/U.S. Construction and J.P. Construction, violated the County's Prevailing Wage Law (PWL), codified at §11B-33C of the County Code.1 Coakley is the primary contractor under Contract No. 036100018-AA for construction of an equipment maintenance and operations center. Coakley timely appealed DGS' decision to the County's Chief Administrative Officer, who referred the case to the Office of Zoning and Administrative Hearings to conduct a public hearing. DKT. 1.

All parties have subsequently negotiated a settlement of this matter and on January 4, 2018, submitted a "Joint Stipulation of Dismissal" requesting that the case be dismissed with prejudice.

1 The subcontractors filed Motions to Intervene (Dkt. Nos. 16, 18), which the Hearing Examiner granted on March 31, 2016. Dkt. 19.
