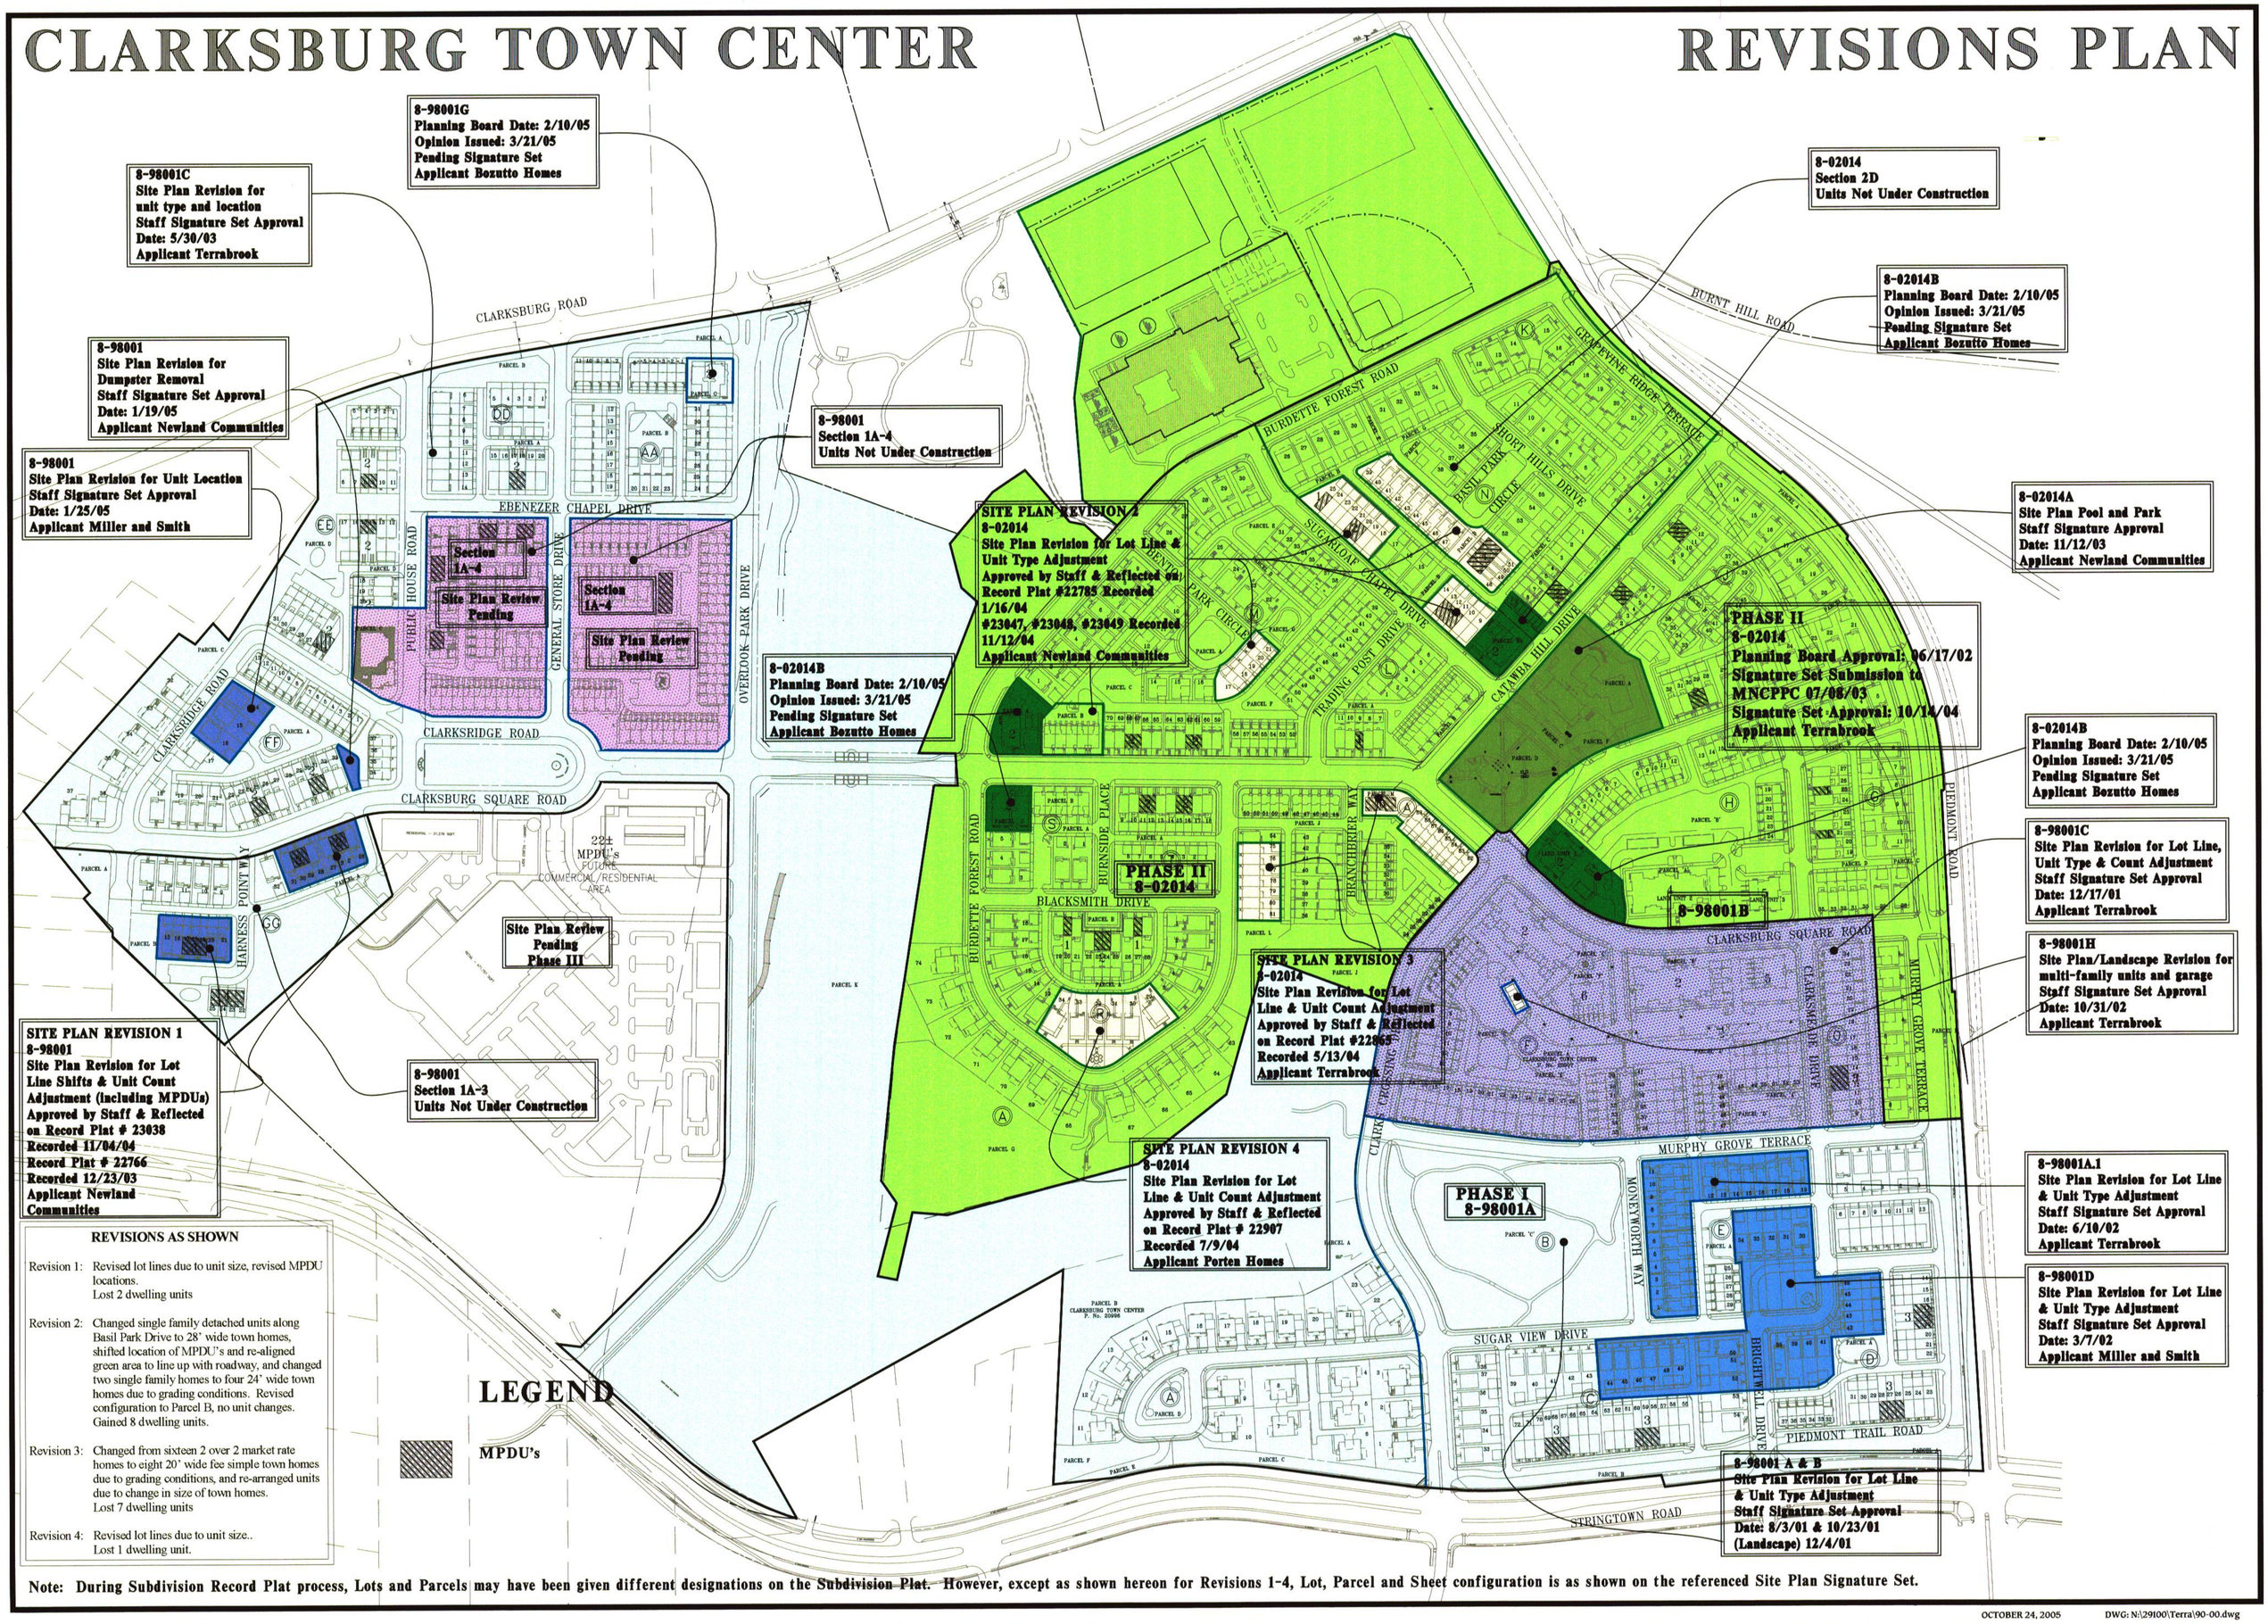
CLARKSBURG TOWN CENTER

REVISIONS PLAN



REVISIONS AS SHOWN

Revision 1: Revised lot lines due to unit size, revised MPDU locations.
Lost 2 dwelling units

Revision 2: Changed single family detached units along Basil Park Drive to 28' wide town homes, shifted location of MPDU's and re-aligned green area to line up with roadway, and changed two single family homes to four 24' wide town homes due to grading conditions. Revised configuration to Parcel B, no unit changes. Gained 8 dwelling units.

Revision 3: Changed from sixteen 2 over 2 market rate homes to eight 20' wide fee simple town homes due to grading conditions, and re-arranged units due to change in size of town homes.
Lost 7 dwelling units

Revision 4: Revised lot lines due to unit size..
Lost 1 dwelling unit.

Note: During Subdivision Record Plat process, Lots and Parcels may have been given different designations on the Subdivision Plat. However, except as shown hereon for Revisions 1-4, Lot, Parcel and Sheet configuration is as shown on the referenced Site Plan Signature Set.
