

Coaches,

We hope that you and your families had a fantastic time and that the new school year is off to a great start. Here at Montgomery County Recreation, we're preparing for the 2023-24 Winter Youth Basketball season, and registration is right around the corner.

As in years past, we will be utilizing an online form to build your teams so that players can register directly to your roster. Please complete the [Coaches Inquiry](#), this inquiry will provide us with information about you and your team. This is also where you will identify 5-8 practice location options, using the information in this document, as well as create your team passcode that you will pass along to your players to use to register for your team.

This year, we have a new registration system, the address is still www.activemontgomery.org. Parents/Guardians of players on your roster will need to either create a new account or change the password from an account that was migrated over from our previous system. Once on our registration site, they will search the Activity Code (see below) for the league playing to start the registration process. (Please see attachments "How to Reset Online..." and "How to Create an Online..." as help guide to pass along to players on the process of registration.)

We are so excited to get the kids (and coaches) back on the court this season! Please feel free to reach out with any questions along the way, as we're here to help in any way we can!

We look forward to another great season!
