www.imagemd.org

Provide home modifications, vehicle modifications and/or assistive technology services to eligible individuals with significant disabilities when needed to achieve the goal of living independently in the community.

Independence Now – Home and Vehicle Modifications / Assistive Technology Program

Jake Clark, Assistive Technology Specialist
12301 Old Columbia Pike, Suite 101
Silver Spring, MD 20904
240-898-2188 (V)
Email: jclark@innow.org
www.innow.org/tech.html

This program assists people with disabilities to continue living independently by funding accessibility modifications to their homes or acquire a piece of equipment to increase, maintain or improve their functional capabilities. Can also provide information about a variety of independent living equipment and a list of possible vendors. Serve Montgomery and Prince George's Counties. Must meet a financial needs test and provide a portion of matching funds.

Job Accommodation Network (JAN)

1-800-526-7234 (Toll Free)
1-877-781-9403 (TTY)
304-216-8189 (Text)
Email: jan@askjan.org
www.askjan.org

Provide information on assistive technology in the workplace. JAN helps people with disabilities enhance their employability and shows employers how to capitalize on the value and talent that people with disabilities add to the workplace.

Kennedy Krieger Institute Assistive Technology Clinic

801 N. Broadway
Baltimore, MD 21205
1-888-554-2080 (Toll Free)
www.kennedykrieger.org/patient-care/centers-and-programs/assistive-technology-clinic

Professionals from the disciplines of speech pathology, occupational therapy, and physical therapy work in conjunction with rehabilitation technology vendors to provide services to clients. Augmentative communication assessment and treatment offered to individuals who are unable to communicate verbally. Assessments include computer access and environmental control issues. Seating and power mobility evaluations offered through Kennedy Krieger Institute's Occupational Therapy and Physical Therapy Departments.

KNFB Reading Technology, Inc.

347-422-7085 (V)
Email: support@knfbreader.com
www.knfbreader.com

Print to speech application that runs on your iPhone or Smartphone. The app enables the camera to take pictures of printed material, rapidly convert the images into text, and read the text aloud using high quality text-to-speech, TTS. Recognized text may also be read using a connected Braille display.

Maryland Relay Services – State of Maryland

Department of Information Technology
Telecommunications Access of Maryland
301 West Preston Street, Suite 1008A
Baltimore, MD 21201
1-800-552-7724 (V/TTY)
443-453-5970 (Videophone)
Maryland Relay: 711
Maryland Residents: 1-800-735-2258 (V/TTY)
Spanish Line: 1-800-877-1264 (V/TTY)
Email: moreinfo@mdrelay.org
www.mdrelay.org

Provide free service to call TTY users. Distribute free amplified phones, tablets with pre-loaded video chat or captioned telephone programs, ring signalers, TTYs, and other assistive devices to qualified applicants who have difficulty using the telephone. Applications available on-line.

Maryland High-Tech Assistive Technology Reuse Center

7125 Riverwood Drive, Suite D1
Columbia, MD 21046
(within the Howard County Loan Closet)
443-326-9703 (V)
Email: mdtap.at-reuse@maryland.gov
<http://mdod.maryland.gov/mdtap/Pages/ATreuse.aspx>

View online inventory: <https://myatprogram.org/home/24>
Center operates completely off donations to provide high-tech assistive technology to other individuals at no cost for as long as they need it with the expectation that it will be re-donated when the user is finished with the device. Rely solely on donations so what is available will depend on what has been received as donations. A sample of some recently donated equipment: CCTVs/video magnifiers/magnifiers; iDevices; adapted computer keyboards, mice, switches; speech communication devices; amplified telephones; and eye-gaze systems.

Maryland Technology Assistance Program (MDTAP) Assistive Technology Loan Program
