Maryland Children's Health Program (MCHP) Department of Health & Mental Hygiene

1-855-642-8572 (Toll Free)
1-855-642-8573 (TTY)

<https://mmcp.health.maryland.gov/chp/pages/home.aspx>

Full health benefits, including prescriptions, for children up to age 19. Benefits for children include doctor Visits (well and sick care); hospital care; lab work and tests; dental care; vision care; immunizations (shots); prescription medicines; transportation to medical appointments; mental health services; and substance abuse treatment. Those eligible for MCHP are uninsured whose household modified adjusted gross income (MAGI) is at or below 211% of the federal poverty level (FPL) for their family size. Applications can be filed online at

www.marylandhealthconnection.gov, by visiting your local department of social services, or by calling the number above.

Maryland Medicaid Pharmacy Program (MPP)

311 (in the County)
240-777-0311 (outside of the County)
301-251-4850 (TTY)

<https://mmcp.health.maryland.gov/pap/pages/paphome.aspx>

Call your local social services office for eligibility.

Medical Assistance: Receive complete pharmacy services.

HealthChoice: Mental Health Formulary, Substance Use Disorder Medication Clinical Criteria Final and AIDS/HIV drugs - All other drugs are provided by HealthChoice Managed Care Organizations (MCOs).

Family Planning: Receive only contraceptives and sexually transmitted infections treatment.

Medicare Part D: Fully dual eligible Medicare beneficiaries receive most drugs excluded from Medicare Coverage -- All other drugs are provided by Medicare Prescription Drug Programs (PDPs). Please note that beginning 01/01/2013, drug coverage for Benzodiazepines and Barbiturates for those patients that are both Medicaid and Medicare eligible, will be provided by Medicare Part D Prescription Drug Plans and not the Maryland Medicaid Pharmacy Program. This change may cause patient co-payments to vary.

NeedyMeds

1-800-503-6897 (Toll Free)

E-mail: info@needymeds.org

www.needymeds.org

501(c)(3) national non-profit information resource dedicated to helping people locate assistance programs to help them afford their medications and other healthcare costs. Provides a free drug discount card that offers a discount of up to 80% at more than 63,000 pharmacies nationwide. Anyone can use the card regardless of income level or insurance status and no registration is required. The same card can be used by friends and family members to save on prescription drugs, over-the-counter drugs and medical supplies written on a prescription form, and pet prescription drugs purchased at a pharmacy.

Partnership for Prescription Assistance

www.pparx.org

Free online tool to match individuals to patient assistance programs for which they may be eligible. Also online locator for free and low-cost clinics.

Pfizer Savings Program

1-866-706-2400 (Toll Free)

www.pfizerrxpathways.com

Helps uninsured patients receive savings on more than 100 Pfizer medicines directly at their pharmacy, regardless of their income.

Pfizer Patient Assistance Program provides free Pfizer medicines to eligible patients through their doctor's office or at home. To qualify, patients must: have a valid prescription for the Pfizer medicine for which they are seeking assistance; have no prescription coverage, or not enough coverage, to pay for their Pfizer medicine; reside in the U.S. or a U.S. territory; meet income guidelines, which vary by medicine, but start at 400% of the Federal Poverty Level, adjusted for family size; and be treated by a healthcare provider licensed in the U.S. or a U.S. territory.

Pfizer Institutional Patient Assistance Program provides eligible, uninsured patients with free Pfizer medicines‡ through select federally qualified health centers, disproportionate share hospitals, and free clinics throughout the country. To be eligible to receive free medicine from a participating healthcare facility, patients must: have no prescription coverage; be at or below 400% of the Federal Poverty Level, adjusted for family size; reside in the U.S. (migrant and homeless patients are presumed eligible); have a valid prescription from a healthcare provider licensed in the U.S.; and be a registered outpatient of the participating healthcare facility.

RxAssist

E-mail: info@rxassist.org

www.rxassist.org

Offer a comprehensive database of patient assistance programs, as well as practical tools, news, and articles so that health care professionals and patients can find the information they need. Free RxAssist prescription savings card.
