

MEMORANDUM

TO: Government Operations and Fiscal Policy Committee

FROM: Robert H. Drummer, Senior Legislative Attorney 

SUBJECT: **Worksession:** Executive Regulation 15-10, Financial Disclosure, Reporting Year 2010

Background

Executive Regulation 15-10 was submitted for method 2 Council review on January 10, 2011. See ©1. Executive Regulation 15-10 contains a schedule of filing positions for filing year 2010.

County Code §19A-17(a) requires the County Executive, the Chief Administrative Officer, Deputy Chief Administrative Officer, special assistants to the County Executive, the director and deputy director of each department, principal office, and office in County government, and members of the Ethics Commission to file a public financial disclosure statement. Code §19A-17(b) expressly requires Assistant Chief Administrative Officers, attorneys in the Office of the County Attorney, Hearing Examiners, members of the Fire and Rescue Commission, and paid members of any board, commission, committee, or authority of County government to file a confidential financial disclosure statement.

Code §19A-17 also authorizes the County Executive to designate, by regulation issued under method (2), other public employees in the Executive branch, the Revenue Authority, Board of License Commissioners, or Housing Opportunities Commission to file a public, limited public, or confidential financial disclosure statement. When making this designation, §19A-17(c) requires the Executive to consider if an employee has substantial responsibility for:

1. contracting or procurement;
2. administering grants or subsidies;
3. land use, planning and zoning;
4. regulating, licensing or inspecting any business;
5. other decisions with significant economic impact;
6. law enforcement; and
7. controlling access to confidential information.

A public financial disclosure statement must include comprehensive information regarding real property interests, business interests, sources of income, gifts, offices, debts, and liabilities (Code §19A-19). A limited public financial disclosure statement must include information about any economic interest or gift that “may create a conflict between the employee or member’s personal interest and official duties” (Code §19A-17(a) (6)). The County Ethics

Commission must make public financial disclosure statements and limited public financial disclosure statements available to the public for examination.

A confidential financial disclosure statement must include the same comprehensive information regarding real property interests, business interests, sources of income, gifts, offices, debts, and liabilities as is required for a public financial disclosure statement (Code §19A-19). However, the County Ethics Commission is prohibited from making confidential financial disclosure statements available to the public for examination (Code §19A-18(e) (4)).

Code §19A-17(d) requires the Executive to annually review the designation of employees required to file financial disclosure statements. Executive Regulation 24-09AM, Financial Disclosure, covering the 2009 reporting year, was submitted for method 2 Council review on February 23, 2010 and approved by the Council on March 9, 2010.

Issues

1. What changes have been made in the designation of employees required to file financial disclosure statements from Executive Regulation 24-09AM?

The Executive's transmittal memo states that the designation of positions has been amended to reflect the movement of positions from one department to another, positions that have been abolished, and positions that no longer are assigned duties that warrant financial disclosure (e.g., contracting or procurement duties). Positions whose duties now warrant filing a financial disclosure statement have also been added. The Executive advertised this regulation in the November issue of the County Register with a 30 day comment deadline. No comments were received.

The Executive is also proposing to change the filing status of one Manager II position (Chief, Operations Section) in the Department of Transportation (DOT) from confidential to public. This change in filing status would make this position consistent with the other division chiefs in the Department.

A clean copy of the spreadsheet listing the Division, job title, filing type, and reviewer for each position that has been designated by the Executive to file a financial disclosure statement for the 2010 reporting year is at ©6-64. A second spreadsheet at ©65-124 shows the same information with the positions added from last year underlined and the positions removed shown in brackets. Finally, a third spreadsheet showing just the additions and subtractions from last year is attached at ©125-155.

Council staff recommendation: The Council staff recommends that the Council approve Executive Regulation 15-10 as submitted by adopting the proposed Resolution at ©156.

2. Should the Council amend the list of Legislative Branch positions required to file financial disclosure statements?

County Code §19A-17 expressly requires Councilmembers, the Council's Staff Director, Deputy Staff Director, the Director of the Office of Legislative Oversight, members of the Board of Appeals, members of the Merit System Protection Board, and the director and deputy director of each Legislative Branch department, principal office, and office to file a public financial disclosure statement. The law also expressly requires the Hearing Examiners to file confidential statements. §19A-17(a)(5) and §19A-17(b)(8) also authorize the County Council to designate by resolution certain employees of the Legislative Branch of County government who must file public, limited public, or confidential financial disclosure statements after finding that doing so will promote trust and confidence in County government. The Council is required to annually review the list of employees required to file public or confidential financial disclosure statements. The Council adopted Resolution 16-467 on March 4, 2008 designating the Legislative Branch employees who must file financial disclosure statements.

There have been no changes in position titles or duties in the Legislative Branch since the adoption of Resolution 16-467, attached at ©157-158. The Resolution provides that it applies to financial disclosure statements for 2008 and later calendar years. **Council staff recommendation:** no changes are needed to Resolution 16-467.

MEMORANDUM

January 10, 2011

TO: Valerie Ervin, Council President
Montgomery County Council

Method 2

FROM: Isiah Leggett, County Executive

SUBJECT: Proposed Executive Regulation 15-10
Financial Disclosure, Reporting Year 2010

I am transmitting proposed Executive Regulation 15-10 (Financial Disclosure, Reporting Year 2010) promulgated under Method 2, for Council review and approval. Section 19A-17 of the County's Ethics Law authorizes the County Executive to designate those public employees in the executive branch, Revenue Authority, Board of License Commissioners, and Housing Opportunities Commission who are required to file financial disclosure statements. These statements promote trust and confidence in County government by helping ensure that filers do not have a conflict of interest with their specific position. The Ethics Law requires me to annually review the list of employees.

As in past years, the schedule attached to the proposed regulation has been amended as necessary to reflect the movement of positions from one department to another. Positions were deleted from the regulation when they were abolished or the department did not assign them duties that warranted filing a financial disclosure statement (e.g., contracting or procurement duties). Positions whose duties warrant filing a financial disclosure statement have been added to the regulation. In addition to "clean" and "bracket and underline" versions of the schedule, I am also enclosing a version of the schedule showing only the changes from last year.

The only substantive change I am proposing is a change to the filing status of a Manager II position in DOT (Chief, Operations Section) from confidential to public, in order to be consistent with other division chiefs in the department.

This regulation was advertised in the November issue of the Montgomery County Register with a 30-day comment deadline. No comments were received. A fiscal impact statement is also attached.
