

MEMORANDUM

November 1, 2016

TO: Government Operations and Fiscal Policy Committee

FROM: Robert H. Drummer, Senior Legislative Attorney 

SUBJECT: **Worksession:** Expedited Bill 40-16, Consolidated Retiree Health Benefits Trust Board – Authority to Delegate - Amendments

Expedited Bill 40-16, Consolidated Retiree Health Benefits Trust Board – Authority to Delegate – Amendments, sponsored by Lead Sponsor Council President Floreen at the request of the County Executive, was introduced on October 4, 2016. A public hearing was held on October 25.

The Consolidated Retiree Health Benefits Trust (CRHBT) Board of Trustees is responsible for investing the funds designated to pay for all or a portion of benefits provided under the County retiree benefit plans or a County-funded agency retiree benefit plan, such as retiree health insurance. Bill 40-16 would amend the County's law to authorize the Board of Trustees to delegate signature authority to the Executive Director, or a similarly situated County employee, consistent with its fiduciary duties, in its written policies and procedures. This authority would better align the roles and responsibilities of the Board Staff in the oversight of the investment program and increase the efficiency of the operation.

Public Hearing

The sole speaker at the October 25 public hearing, Linda Herman, Executive Director of the Employees' Retirement Plans, speaking on behalf of the Executive, supported the Bill. See ©10.

Discussion

In 2012, the Council enacted Bill 24-12, which approved similar delegation authority for the Board of Investment Trustees who oversee the investment programs for the County's retirement plans. In addition, the State of Maryland, along with numerous other pension systems, currently provide for the Boards, overseeing the investment of the Trust Fund assets, to delegate certain functions to the Executive Director, or other staff, if such delegation is established in policies and procedures. The County's Chief Administrative Officer, in his role as Plan Administrator, currently has the authority within the Code to delegate his duties. **Council staff recommendation:** enact the Bill as introduced.

MEMORANDUM

September 21, 2016

TO: Nancy Floreen, Council President

FROM: Isiah Leggett, County Executive 

SUBJECT: Expedited Bill to Amend the County's Law on the Consolidated Retiree Health Benefits Trust

I am attaching for the Council's consideration a bill that would amend the County's law to allow the Board of Trustees, which oversees the investment program for the County's Consolidated Retiree Health Benefits Trust, to delegate signature authority to the Executive Director, or a similarly situated employee, to execute instruments on behalf of the Board consistent with its fiduciary duties and its written policies and procedures.

The County Code establishes the Board of Trustees in Section 33-160 and gives the Board the power to invest the assets of the trust fund, authority to direct the payment of benefits, and describes other actions to be taken in Section 33-160. The Board has been advised by its legal counsel that the delegation of its duties is permitted under common law. However, the Board's counsel has advised them that the delegation authority should be provided in its governing document, the County Code. The legislation would provide similar delegation of duties as set forth in Section 33-47(d)(14) which allows the Chief Administrative Officer to delegate any power or duty. In addition, in 2012 Bill 24-12, the County Council approved similar legislation for the Board of Investment Trustees which oversees the investment programs for the County's retirement plans.

Thank you for your prompt consideration of this bill.

**Economic Impact Statement
Bill #-16E, Consolidated Retiree Health Benefits Trust Fund**

Background:

This legislation would permit the Board of Trustees (Board) to assign or delegate signature authority through policy. The purpose of Bill #-16E is to better align the roles and responsibilities of Board Staff in the oversight of the investment program for the County's Consolidated Retiree Health Benefits Trust (CRHBT) and further enhance the efficiency of the operation of the investment program.

Bill #-16E amends Section 33-160(g)(5) of the County Code to add the phrase "In its written policies and procedures" before "the Board may authorize a trustee" and add the phrase "the Executive Director or a similarly situated County employee" immediately after "the Board may authorize a trustee." The legislation deletes the phrase related to "the authority must be in writing and specifically describe the instrument and how the trustee must execute the instrument."

**TESTIMONY on BEHALF OF COUNTY EXECUTIVE ISIAH LEGGETT
and the BOARD OF TRUSTEES ON EXPEDITED BILL 40-16E,
CONSOLIDATED RETIREE HEALTH BENEFITS TRUST BOARD -
AUTHORITY TO DELEGATE - AMENDMENTS**

October 25, 2016

Good afternoon. I am Linda Herman, Executive Director of the Montgomery County Employee Retirement Plans, which oversees the assets and the administration of the County's three retirement plans as well as the investment program for the Consolidated Retiree Health Benefits Trust. I am here today on behalf of the County Executive and the Board of Trustees of the Consolidated Retiree Health Benefits Trust to testify in support of Bill 40-16E.

The bill would amend the County's law to allow the Board of Trustees, which oversees the investment program for the County's Consolidated Retiree Health Benefits Trust, to delegate signature authority to the Executive Director, or a similarly situated employee, to execute instruments on behalf of the Board consistent with its fiduciary duties and its written policies and procedures.

The County Code establishes the Board of Trustees in Section 33-160 and gives the Board the power to invest the assets of the trust fund, authority to direct the payment of benefits, and describes other actions to be taken in Sections 33-160. The Board has been advised by its legal counsel that the delegation of its duties is permitted under common law. However, the Board's counsel has advised that the delegation authority should be provided in its governing document, the County Code. The legislation would provide similar delegation of duties as set forth in Section 33-47(d)(14) which allows the Chief Administrative Officer to delegate any power or duty. In addition, in 2012 the County Council approved similar legislation for the Board of Investment Trustees which oversees the investment programs for the County's retirement plans.

We look forward to working with the Council in its deliberations on this legislation.
