

MEMORANDUM

TO: County Council

FROM: Robert H. Drummer, Legislative Attorney 

SUBJECT: **Action:** Executive Regulation 35-08, Financial Disclosure

MFP Committee recommends (3-0) approval.

Background

Executive Regulation 35-08 (see ©5-7) was submitted for method 2 Council review on January 5, 2009. See ©1-2. The Executive submitted an updated schedule of filing positions, current through 2008, for Regulation 35-08 on January 29, 2009. See ©3. The Management and Fiscal Policy Committee held a worksession on Executive Regulation 35-08 on February 9, 2009.

County Code §19A-17(a) (see ©104-108) requires the County Executive, the Chief Administrative Officer, Deputy Chief Administrative Officer, special assistants to the County Executive, the director and deputy director of each department, principal office, and office in County government, and members of the Ethics Commission to file a public financial disclosure statement. Code §19A-17(b) expressly requires Assistant Chief Administrative Officers, attorneys in the Office of the County Attorney, Hearing Examiners, members of the Fire and Rescue Commission, and paid members of any board, commission, committee, or authority of County government to file a confidential financial disclosure statement.

Code §19A-17 also authorizes the County Executive to designate, by regulation issued under method (2), other public employees in the Executive branch, the Revenue Authority, Board of License Commissioners, or Housing Opportunities Commission to file a public, limited public, or confidential financial disclosure statement. When making this designation, §19A-17(c) requires the Executive to consider if an employee has substantial responsibility for:

1. contracting or procurement;
2. administering grants or subsidies;
3. land use, planning and zoning;
4. regulating, licensing or inspecting any business;
5. other decisions with significant economic impact;
6. law enforcement; and
7. controlling access to confidential information.

A public financial disclosure statement must include comprehensive information regarding real property interests, business interests, sources of income, gifts, offices, debts, and liabilities (Code §19A-19). A limited public financial disclosure statement must include information about any economic interest or gift that “may create a conflict between the employee or member’s personal interest and official duties” (Code §19A-17(a) (6)). The County Ethics Commission must make public financial disclosure statements and limited public financial disclosure statements available to the public for examination.

A confidential financial disclosure statement must include the same comprehensive information regarding real property interests, business interests, sources of income, gifts, offices, debts, and liabilities as is required for a public financial disclosure statement (Code §19A-19). However, the County Ethics Commission is prohibited from making confidential financial disclosure statements available to the public for examination (Code §19A-18(e) (4)).

Code §19A-17(d) requires the Executive to annually review the designation of employees required to file financial disclosure statements. Executive Regulation 27-07, Financial Disclosure, covering the 2007 reporting year, was submitted for method 2 Council review on January 29, 2008, and an amended Regulation 27-07 was submitted on February 20, 2008. Executive Regulation 27-07 was approved by the Council on March 4, 2008. Executive Regulation 35-08, Financial Disclosure, covers the 2008 reporting year.

Issues

1. What changes have been made in the body of Executive Regulation 35-08?

The Executive proposed amending §2(C) of the current regulation to reflect current practice. Regulation 27-07 anticipated that a list of positions might be approved before the end of the relevant calendar year. Therefore, §2(C) authorized the Chief Administrative Officer (CAO) to update the list to reflect changes arising between Council approval and the end of the calendar year. Since current practice is to submit the list to the Council after the end of the relevant calendar year, the Executive proposed deleting the provision in §2(C) authorizing the CAO to update the list as unnecessary and confusing. Instead, the Executive proposed substitute language authorizing the CAO to submit an updated list to the Ethics Commission within 15 days after an employee’s position first meets the criteria for filing a financial disclosure statement.

2. What changes have been made in the designation of employees required to file financial disclosure statements from Executive Regulation 27-07?

The Executive’s transmittal memo states that the designation of positions has been amended to reflect the movement of positions from one department to another, positions that have been abolished, and positions that no longer are assigned duties that warrant financial disclosure (e.g., contracting or procurement duties). Positions whose duties now warrant filing a financial disclosure statement have also been added. The Executive advertised this regulation in the November issue of the County Register with a 30 day comment deadline. No comments were received.

Attached at ©11-50 please find a spreadsheet listing the Division, job title, filing type, and reviewer for each position that has been designated by the Executive to file a financial disclosure statement for the 2008 reporting year. A second spreadsheet at ©51-98 shows the same information with the positions added from last year underlined and the positions removed shown in brackets. Finally, a third spreadsheet showing only the additions and subtractions is attached at ©99-103.

Committee recommendation (3-0): approve Executive Regulation 35-08 as submitted by adopting the proposed Resolution at ©109.

3. Should the Council amend the list of Legislative Branch positions required to file financial disclosure statements?

County Code §19A-17 expressly requires Councilmembers, the Council’s Staff Director, Deputy Staff Director, the Director of the Office of Legislative Oversight, members of the Board of Appeals, members of the Merit System Protection Board, and the director and deputy director of each Legislative Branch department, principal office, and office to file a public financial disclosure statement. The law also expressly requires the Hearing Examiners to file confidential statements. §19A-17(a)(5) and §19A-17(b)(8) also authorize the County Council to designate by resolution certain employees of the Legislative Branch of County government who must file public, limited public, or confidential financial disclosure statements after finding that doing so will promote trust and confidence in County government. The Council is required to annually review the list of employees required to file public or confidential financial disclosure statements. The Council adopted Resolution 16-467 on March 4, 2008 designating the Legislative Branch employees who must file financial disclosure statements.

There have been no changes in position titles or duties in the Legislative Branch since the adoption of Resolution 16-467, attached at ©110-111. The Resolution provides that it applies to financial disclosure statements for 2008 and later calendar years. **Committee recommendation (3-0):** no changes are needed to Resolution 16-467.

MONTGOMERY COUNTY

FROM: Isiah Leggett, County Executive

SUBJECT: Financial Disclosure Executive Regulation 35-08

Method 2

I am transmitting proposed Executive Regulation 35-08 regarding Financial Disclosure (ER 35-08), which was promulgated under Method 2, for Council review and approval. Section 19A-17 of the County's Ethics Law authorizes the County Executive to designate those public employees in the executive branch, Revenue Authority, Board of License Commissioners, and Housing Opportunities Commission who are required to file financial disclosure statements. These statements promote trust and confidence in County government by helping ensure that filers do not have a conflict of interest with their specific position.

I propose amending § 2(C) of the current regulation governing financial disclosure to reflect current practice. When the present list format (identifying each individual filer by position number as opposed to job classification) was first put in place about five years ago, it was anticipated that the list might be approved before the calendar year ended (e.g., in October or November). Therefore, § 2(C) of the regulation allowed the CAO the ability to update the list in order to include any additional employees or positions that arose between the time the Council approved the list and the end of the calendar year. But, as a practical matter, the list is never approved until after the calendar year has ended, so this language is unnecessary and confusing. Instead, I propose substituting language that reflects the current practice. In addition, § 2(C) clarifies that the CAO will periodically provide the Ethics Commission with updated lists of filers as new employee/positions are added.

As in past years, the schedule attached to the proposed regulation has been amended as necessary to reflect the movement of positions from one department to another. Positions were deleted from regulation where they were abolished or the department did not assign them duties that warranted filing a financial disclosure statement (e.g., contracting or procurement duties). Positions whose duties warrant filing a financial disclosure statement have

been added to the regulation. As requested by Council staff, I will provide the Council with any necessary update to the schedule in early January, after the end of the present calendar year.

The Ethics Law requires me to annually review the list of employees. This regulation was advertised in the November issue of the Montgomery County Register with a 30-day comment deadline. No comments were received. A fiscal impact statement is also attached.

- (1) each incumbent and candidate for:
 - (A) County Executive; and
 - (B) County Council;
 - (2) the following public employees:
 - (A) Chief Administrative Officer and any Deputy Chief Administrative Officer;
 - (B) special assistants to the County Executive;
 - (C) director and deputy director of each department, principal office, and office in the County government;
 - (D) members of the County Board of Appeals;
 - (E) members of the Commission; and
 - (F) members of the Merit System Protection Board;
 - (3) any person who is appointed to serve in an acting capacity in any position listed in the preceding paragraphs while the position is vacant;
 - (4) any other public employee in the Executive branch, or in the Revenue Authority, Board of License Commissioners, or Housing Opportunities Commission, including any person listed in subsection (b), who the County Executive designates by regulation issued under method (2) after finding that filing a public financial disclosure statement will promote trust and confidence in County government;
 - (5) any other public employee in the legislative branch including the County Board of Appeals, and in the Merit System Protection Board, including any person listed in subsection (b), who the Council designates by resolution after finding that filing a public financial disclosure statement will promote trust and confidence in County government; and
 - (6) the members of a board, commission, committee, or similar body in the Executive branch, or of the Revenue Authority, Board of License Commissioners, or Housing Opportunities Commission, which the County Executive designates by regulation issued under Method (2) or any public employee in the legislative branch, including the County Board of Appeals, and in the Merit System Protection Board, who the Council designates by resolution, after finding that filing a limited public financial disclosure statement will promote trust and confidence in County government. The financial disclosure required under this paragraph must be limited to information concerning any economic interest or gift that may create a conflict between the employee or member's personal interests and official duties. The Commission must

adopt a regulation specifying the information that must be disclosed. A public employee who files a limited public financial disclosure statement under this paragraph must also file a confidential financial disclosure statement if required to do so under subsection (b). A public employee need not file a limited public financial disclosure statement under this paragraph if the employee already is required to file a public financial disclosure statement.

(b) The following persons must file a confidential financial disclosure statement under oath:

- (1) Assistant Chief Administrative Officers;
- (2) attorneys in the Office of the County Attorney;
- (3) Hearing Examiners;
- (4) Members of the Fire and Rescue Commission;

(5) paid members of any board, commission, committee, or authority of County government, including members of the Board of License Commissioners, the Revenue Authority, and the Housing Opportunities Commission;

(6) any non-merit public employee (except temporary consultants and special legal counsel) paid at a rate above the minimum pay for pay grade 20, as adjusted from time to time under subsection 33-11(b), or the comparable pay grade if the general salary schedule is revised;

(7) any public employee in the Executive branch, or in the Revenue Authority, Board of License Commissioners, or Housing Opportunities Commission, who the County Executive designates by regulation issued under method (2) after finding that filing a confidential financial disclosure statement will promote trust and confidence in County government; and

(8) any public employee in the legislative branch including the County Board of Appeals, and in the Merit System Protection Board, who the Council designates by resolution after finding that filing a confidential financial disclosure statement will promote trust and confidence in County government.

(c) In designating public employees to file public or confidential financial disclosure statements under subsection (a)(4) or (b)(7), the Executive should include those employees who have substantial responsibility for;

- (1) contracting or procurement;
- (2) administering grants or subsidies;
- (3) land use, planning and zoning;
- (4) regulating, licensing or inspecting any business;
- (5) other decisions with significant economic impact;

- (6) law enforcement; and
- (7) controlling access to confidential information.

(d) The Executive and Council, respectively, must annually review the list of employees designated under subsections (a)(4), (a)(5), (a)(6), (b)(7), and (b)(8) for compliance with the purposes of this Article. (1990 L.M.C., ch. 21, § 1; 1994 L.M.C., ch. 25, § 1; 1997 L.M.C., ch. 37, § 1; 2000 L.M.C., ch. 35, § 1; 2001 L.M.C., ch. 4, § 1; 2006 L.M.C., ch. 33, § 1.)

Editor's note-In Department of Transportation v. Armacost, 311 Md. 64, 532 A.2d 1056 (1987), the court quoted with approval from the opinion in Montgomery County v. Walsh, 274 Md. 502, 523, 336 A.2d 97 (1975), appeal dismissed, 424 U.S. 901, 96 S.Ct. 109-1, 47 L.Ed.2d 306 (1976), which upheld as constitutional the delegation of power to the County Executive to implement by regulation a prior County financial disclosure law containing provisions similar to those currently in §§ 19A-17(a)(4) and 19A-17(b)(7). In Walsh, the court also held that the prior County ethics law met the requirements of the State ethics law and did not violate employees' right to privacy.

Sec. 19A-18. Financial disclosure statement; procedures.

(a) (1) Each public employee required to file a public financial disclosure statement under subsection 19A-17(a) must file the statement under oath by April 15 of each year for the previous year.

(2) Any person nominated by the County Executive to hold any office listed in paragraph 19A-17(a)(2) must file the statement before the Council confirms the appointment.

(3) If the Council makes an appointment to any office listed in paragraph 19A- 17(a)(2), the applicant must file the statement as part of the application for the position.

(b) Unless a statement has been filed under subsection (a), each candidate for an office listed in paragraph 19A-17(a)(1) must file with the Board of Supervisors of Elections a financial disclosure statement under oath for the year before the year in which the certificate of candidacy is filed. The statement must be filed with the certificate of candidacy.

(c) If a certificate of candidacy is filed before January 1 of the year in which the election is held, the candidate must file a supplemental financial disclosure statement under oath for the year before the year in which the election is held. The supplemental statement must be filed with the Board of Supervisors of Elections on or before the last day to withdraw a candidacy. The Board of Supervisors of Elections must notify each candidate of this obligation to file a supplemental financial disclosure statement at least 20 days before the last day to withdraw a candidacy. If the candidate fails to file a timely supplemental statement, the candidacy is withdrawn.

(d) The Board of Supervisors of Elections must not accept a certificate of candidacy or certificate of nomination unless a financial disclosure statement in proper form has been filed.

Within 30 days after receiving a statement, the Board must forward the statement to the Commission to be retained under this Chapter.

(e) (1) (A) Any person required to file under subsection 19A-17(b) must file a financial disclosure statement under oath with each director of a County agency with which the person was affiliated during the reporting period. Any person required to file under subsection 19A-17(b) who is not supervised by a director must file a financial disclosure statement under oath with the Chief Administrative Officer.

(B) The statement must be filed by April 15 for the previous year.

(C) The director or the Chief Administrative Officer must review the statement to see if:

(i) the answers are complete;

(ii) there is any conflict of interest with the person's official duties; and

(iii) there is any potential conflict of interest.

(D) A director of a County agency or the Chief Administrative Officer may designate the deputy director of the agency to review a statement. The designator should inform the Commission of the delegation. The designee is subject to the same rules of confidentiality as the designator.

(2) After certifying that the statement has been reviewed, the agency director or Chief Administrative Officer must forward it to the Commission within 30 days after receiving it. The agency director or the Chief Administrative Officer may retain a copy of the statement for one year after forwarding it to the Commission. If asked by an agency director, the Chief Administrative Officer, the County Executive, a Council member, or the filer of the statement, the Commission must review any statement within 120 days after receiving it.

(3) The Commission, the Chief Administrative Officer, the County Executive, a member of the County Council, the County Attorney, the Director of the Office of Legislative Oversight, the filer of the statement, or their designees, may review a statement at any time. A designee must be appointed in writing and is subject to the same rules of confidentiality as the designating party.

(4) Any confidential financial disclosure statement filed under this Chapter must not be made available to the public for examination. The Commission must retain each statement for 6 years. After the 6-year period expires, the Commission must destroy each statement unless the Commission determines that the statement is needed to resolve an investigation or complaint.

(f) Each public employee required to file an annual financial disclosure statement under Section 19A-17 must also file a financial disclosure statement:

(1) within 15 days after the employee begins employment in a position covered by Section 19A-17, unless the employee has already filed a statement for the previous year; and

(2) before the employee leaves a position covered by Section 19A-17, unless the employee has taken another position covered by Section 19A-17. The Director of Finance must not issue an employee's final paycheck until the employee has filed a statement required by this paragraph. Any statement filed under this paragraph must be treated and reviewed as if it were an annual statement, except that it need only report on the period after the employee's last previous annual statement, if any.

(g) The Commission must make available each statement filed under subsection 19A-17(a) for examination and copying during normal office hours. The Commission may charge reasonable fees and adopt procedures for examining and copying statements.

(h) The Commission must provide forms for filing financial disclosure statements. Forms should be made available no later than January 1 each year.

(i) A person must not use any financial disclosure statement required under this Chapter for commercial purposes.

(j) A financial disclosure statement is filed under oath if the person signs a declaration that the financial disclosure statement is made under the penalties of perjury. (1990 L.M.C., ch. 21, § 1; 1994 L.M.C., ch. 25, § 1; 1997 L.M.C., ch. 37, §1.)
