Leggett Seeks Applicants for Western Montgomery County Citizens Advisory Board

County Executive Isiah Leggett is seeking applicants to fill four vacancies on the Western Montgomery County Citizens Advisory Board. Two vacancies should be filled by Rockville residents. A representative of a for-profit business located in Rockville, and a non-profit business located and providing services in the Regional Services Area, are encouraged to apply.

The Western Montgomery County Citizens Advisory Board represents the residential and business communities of Bethesda, Cabin John, Chevy Chase, Friendship Heights, Garrett Park, Glen Echo, North Bethesda, Potomac and Rockville. The 19-member board advises the Director of the Bethesda-Chevy Chase Services Center, the County Executive and the County Council on community needs and priorities such as transportation, human services, environment, public safety, and other issues of local importance.

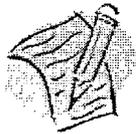

Members serve three-year terms without compensation and contribute approximately six hours each month, attending both board and committee meetings. Board meetings are held the third Monday of the month and begin at 7:00 p.m. Committee meetings could be held in the morning or evening depending on the issues to be discussed.

Applicants of diverse backgrounds, professions, gender, geography, disability and ethnicity are encouraged to apply, and should write by December 23 to County Executive Isiah Leggett at the Executive Office Building, 101 Monroe Street, Rockville, MD 20850 or send an e-mail to countyexecutive.boards@montgomerycountymd.gov. A brief resume, including home and work phone numbers, should be included.

Members of County boards, committees and commissions may not serve on more than one such group at a time. Members of this Committee are eligible for reimbursement for travel and dependent care for meetings attended. Leggett's appointments are subject to confirmation by the County Council. Applications of those selected for appointment are made public as part of the confirmation process.
