Leggett Seeks Applicants for East County Citizens Advisory Board

County Executive Isiah Leggett is seeking applicants to fill six vacancies on the East County Citizens Advisory Board. The incumbents are eligible to apply for reappointment.

The Citizens Advisory Board was formed to ensure active public participation in governmental affairs that directly impact the eastern area of the County. Members serve three-year terms without compensation and usually meet the first Wednesday evening of each month at the Eastern Montgomery Regional Services Center.

The 18-member board serves as a liaison between the community, the County Executive, County Council, and County government departments by identifying community concerns and recommending possible solutions. It also advises the Director of the Eastern Montgomery Regional Services Center on transportation, economic development, housing, education, human services, environment, recreation, public safety, and other issues of importance to the area. The group reviews and comments on the County's capital and operating budgets and master plans; assists with strategies to tailor services to regional needs; and conducts workshops and forums, as well as acts on other ad hoc issues.

The advisory board is representative of more than 110,000 residents in eastern Montgomery County. This area includes the neighborhoods of Burtonsville, Fairland, White Oak, Cloverly and Colesville. The service area is bordered on the north by Howard County, on the east by Prince George's County, on the south by Interstate 495 and on the west along Northwest Branch stream to Ednor Road.

Applicants of diverse backgrounds, professions, gender, geography, disability and ethnicity are encouraged to apply, and should write by January 30 to County Executive Isiah Leggett at the Executive Office Building, 101 Monroe St., Rockville, MD 20850 or by e-mail to countyexecutive.boards@montgomerycountymd.gov. A letter and a brief resume, including work and home phone numbers, work experience and business, civic or community group associations should be enclosed.

Members of County boards, committees and commissions may not serve on more than one such group at a time. Members of this Board are eligible for reimbursement for travel and dependent care for meetings attended. Leggett's appointments are subject to confirmation by
