

MEMORANDUM

December 4, 2009

TO: County Council

FROM: Sherry Kinikin, Legislative Analyst *SK*

SUBJECT: Abandonment of a portion of Evans Parkway
DPWT Docket No. AB717
Northbrook Estates Subdivision
Silver Spring 13th Election District

T&E recommendation (3-0): Approve the abandonment request.

A portion of Evans Parkway in Silver Spring has been proposed for abandonment at the unimproved Evans Parkway in the Northbrook Estates Subdivision in Silver Spring. There is no opposition to this abandonment.

This property, known as Evans Parkway Neighborhood Park, is scheduled for major renovation. To facilitate the planned renovation work, the Commission intends to record a subdivision plat to unify the eight parcels which make up the park, plus portions of two previously dedicated but unbuilt road rights-of-way, into a single parcel.

Staff recommends that this abandonment be approved.

Department of Transportation staff will be available for questions at the worksession.

MEMORANDUM

November 3, 2009

TO: Phil Andrews, President
Montgomery County Council

FROM: Isiah Leggett, County Executive
Office of the County Executive

ENCLS IN FILE

SUBJECT: DPWT Docket No. AB717 Portion of Evans Parkway
Northbrook Estates Subdivision
Silver Spring 13th Election District

For your consideration, attached herewith is a proposed Resolution whereby the County Council may approve the abandonment of a portion of unimproved Evans Parkway in the Northbrook Estates Subdivision in Silver Spring. Supporting data are submitted as follows:

1. Council Resolution
2. Letter requesting the abandonment from the Montgomery County Department of Parks of the Maryland-National Capital Park and Planning Commission, the Applicant
3. A Public Hearing was held on October 20, 2008, as announced by Executive Order No. 209-08.
4. The Hearing Examiner's Report and Recommendation
5. A location map and tax map for reference

Adopted: _____

**COUNTY COUNCIL
FOR MONTGOMERY COUNTY, MARYLAND**

By County Council

SUBJECT: Subject: DPWT Docket No. AB717
Abandonment – Portion of Evans Parkway
Northbrook Estates Subdivision
Silver Spring, Maryland

Background

1. By letter dated July 2, 2008, from Montgomery County Department of Parks (Maryland-National Capital Park and Planning Commission), the Applicant, a request was made to the County to abandon a portion of Evans Parkway in the Northbrook Estates Subdivision in Silver Spring, Maryland.
2. A Public Hearing to consider the abandonment proposal was held on October 20, 2008, by the designee of the County Executive.
3. Washington Gas objected to the abandonment, subject to Applicant locating any gas lines in the abandonment area and creating an easement to maintain any gas lines found in the abandonment area .
4. Washington Suburban Sanitary Commission did not object.
5. PEPCO did not object.
6. The Police Department did not respond within sixty (60) days after receiving notice, and therefore, concurrence is presumed.
7. The Montgomery County Planning Board recommended approval.
8. The Department of Fire and Rescue Services had no objection.
9. The Department of Transportation recommended approval conditioned upon the Applicant granting easements for County storm drains and public utilities, if any, and recording a new record plat incorporating the former right-of-way into the unified park parcel.
10. VERIZON did not respond within sixty (60) days after receiving notice, and therefore, concurrence is presumed.

11. The County Executive recommends approval of the proposed abandonment.

Action

The County Council for Montgomery County, Maryland, finds that a portion of Evans Parkway consisting of a triangular area containing approximately 5,331 square feet of unimproved right-of-way in the Northbrook Estates Subdivision (the "Abandonment Area"), is no longer necessary for public use, pursuant to Section 49-63 of the Montgomery County Code, and approves the abandonment, subject to the following conditions:

1. Applicant must at its sole cost prepare and record against the Abandonment Area a permanent and perpetual public improvements easement sufficient in form and substance to allow for the current and future placement, maintenance and repair of utilities and storm drainage, the form and substance of which must be approved by the Office of the County Attorney for Montgomery County, Maryland; and
2. Applicant must prepare and record a new record plat in accordance with the requirements of Montgomery County Code Section 49-65(d), which plat must incorporate the Abandonment Area into the unified parcel that will comprise the Evans Parkway Neighborhood Park.
3. The Applicants must bear all costs for the preparation and recordation of all necessary legal documents and plats.
4. The County Attorney must record among the Land Records of Montgomery County, Maryland, a copy of this Resolution approving the abandonment of the subject area.
5. Any person aggrieved by the action of the Council for abandonment may appeal to the Circuit Court within 30 days after the date such action is taken by Council.

This is a correct copy of Council Action.

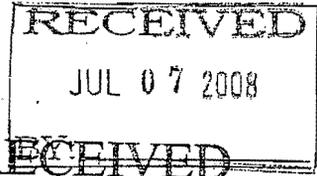

Linda M. Lauer, Clerk of the Council

AB 717 Exh. B 1

MONTGOMERY COUNTY DEPARTMENT OF PARKS
THE MARYLAND-NATIONAL CAPITAL PARK AND PLANNING COMMISSION

July 2, 2008

RECEIVED

JUL 03 2008

OFFICE OF THE
COUNTY EXECUTIVE

The Honorable Isiah Leggett
Montgomery County Executive
Executive Office Building
101 Monroe Street, 2nd Floor
Rockville, Maryland 20850

Re: Abandonment Request for a portion of Evans Parkway
Silver Spring, Maryland

Dear Mr. Leggett:

The Maryland-National Capital Park and Planning Commission owns the property shown outlined in green on Map "A", attached. This property, known as Evans Parkway Neighborhood Park, is scheduled for major renovation in the not too distant future.

To facilitate the planned renovation work, the Commission intends to record a subdivision plat to unify the eight parcels which make up the park, plus portions of two previously dedicated but unbilt road rights-of-way, into a single parcel. One of the road rights-of-way, a portion of dedicated but unbilt Amherst Avenue, shown in blue on Map "A", was previously abandoned in 1982 by Council Resolution No. 9-1658 and is clear for incorporation into the park. The second road right-of-way, a portion of dedicated but unbilt Evans Parkway, shown in red on Map "A", needs to be officially abandoned to accomplish the Commission's objective. This correspondence is the Commission's official request that Montgomery County's Department of Transportation take whatever steps are necessary to effect the abandonment of this portion of Evans Parkway.

In anticipation of submitting this abandonment request, the Commission had the abandonment area surveyed to identify its exact limits. Map "B", attached, which is a portion of our proposed subdivision plat for unifying the Commission owned properties and the unbilt road rights-of-way into one parcel, shows the proposed abandonment area as containing 5,331 square feet.

The Commission understands that as a government agency any normal application and/or processing fees for this abandonment request will be waived.

Thank you for your help and attention to this matter.

Sincerely,

William E. Gries
Land Acquisition Specialist

BEFORE: Diane Schwartz Jones, Public Hearing Officer

PUBLIC HEARING OFFICER'S REPORT AND RECOMMENDATION

I. Background

The hearing and public comments in the captioned matter pertain to a request dated July 2, 2008, from the Montgomery County Department of Parks of the Maryland-National Capital Park and Planning Commission ("Parks" or "Applicant") to abandon a portion of Evans Parkway in the Northbrook Estate Subdivision in Silver Spring, Maryland.

Abandonment Petition No. AB717 seeks abandonment of a portion of Evans Parkway, triangular in shape and containing approximately 5331 square feet of unimproved area (the "Abandonment Area"). See Exhibit 5 and the area identified as circle 14 on Exhibit 6. The Abandonment Area was created by Plat No. 2495 dated January 1950 in which the Owners dedicated the streets to public use. (Exhibit 6) The Abandonment Area is part of a larger

area currently designated by Parks as the Evans Parkway Neighborhood Park. Parks has plans for a major renovation of the Evans Parkway Neighborhood Park and in connection with that renovation seeks to unify all of the parcels comprising the park into a single parcel. Parks has thus sought the subject abandonment on the basis that the Abandonment Area is no longer necessary for public use as a road under Montgomery County Code 49-63(c)(1) and should be incorporated into the to-be established Evans Parkway Neighborhood Park parcel. See, Exhibit 1.

Pursuant to section 49-62(f) of the Montgomery County Code, a public hearing on the proposal was held at approximately 1:00 pm on October 20, 2008, in the Lobby Level Auditorium of the Executive Office Building, 101 Monroe Street in Rockville, Maryland. Notice of Hearing was mailed to neighboring properties and was published in the *Montgomery County Sentinel* newspaper on October 9, 2008 and October 16, 2008. Exhibit 4. Testimony was received at the hearing and Exhibits 1-13 were entered into the record. The record was held open for two weeks until 5:00 pm on November 3, 2008. One additional comment was received from the Montgomery County Planning Board prior to closing of the record, which comment is included in the hearing record as Exhibit 14.

II. Summary of Testimony and Comments

Mike Cassidy of the Montgomery County Department of Transportation identified the proposed Abandonment Area and the reason given by Parks for the proposed abandonment. Mr. Cassidy described that his office requested comments from the public, appropriate governmental agencies, and public utility companies that might be affected by the proposed abandonments. Mr. Cassidy listed Exhibits 1 – 13 that were entered as part of the hearing record. Mr. Cassidy noted that, at the time of hearing, comments were missing from the

Police Department and that comments were expected from the Montgomery County Planning Board. See, Hearing Transcript pps. 4-7.

Mr. William Gries appeared on behalf of Parks and confirmed Parks' reason for seeking the abandonment. Mr. Gries also clarified that the Abandonment Area consists of approximately 5,331 square feet. See, Hearing Transcript, p. 8. The record also includes a report from Larry Cole, Highway Coordinator with the Montgomery County Planning Department, in which he reports that the Abandonment Area "functions as part of Evans Parkway Neighborhood Park and is bordered to the north by a play structure, to the south by the roadway and the remaining right-of-way of Evans Parkway, to the east by a stormwater culvert and to the west by a parking area that serves the park." See Exhibit 10.

In administering the abandonment provisions of Chapter 49, the County Executive is required to solicit a response on the abandonment proposal from a variety of public agencies including each public utility authorized by the Public Service Commission to provide service within the area and any grantee of a franchise if the grantee is authorized to use or install facilities in the right-of-way. In response to a request for comments, Washington Gas objected to the abandonment because it has a gas line in the right of way; however it will not object if Parks will relocate any gas lines and/or guarantee that it will execute an easement for the gas line.¹ Exhibit 9.

Washington Suburban Sanitary Commission ("WSSC") indicated that it has no facilities within the proposed Abandonment Area and granted its approval of the abandonment conditioned upon the Maryland-National Capital Park and Planning Commission

¹ The Washington Gas letter reads that "Washington Gas could lift the objection if the petitioner would *locate* the gas lines in conflict and guarantee they would grant and execute an easement for these lines." This statement does not make sense and the Hearing Officer understands the intent of Washington Gas to be that it have a legal right in the form of an easement to locate and maintain its line within the Abandonment Area or that the line must be *relocated* and be subject to a legal right in the form of an easement to locate and maintain its line elsewhere.

("Commission") formally approving the abandonment within 180 days. Exhibit 8. The WSSC letter was issued on August 26, 2008 and the Commission's approval of the abandonment was issued on October 23, 2008 which was well within the designated 180 days. Exhibit 14. Similarly, PEPCO identified that it has no equipment or facilities in the Abandonment Area and therefore has no objection to the abandonment. Exhibit 13.

Montgomery County Department of Fire and Rescue Services has no objection to the abandonment. See Exhibit 11. The Montgomery County Department of Transportation recommended approval of the abandonment conditioned upon Parks granting easements for County storm drains and public utility facilities, if any, and recording a new record plat the former right-of-way into the larger Parks parcel. Exhibit 12.

The Montgomery County Police Department at the time of this Report and Recommendation has not submitted any comment. Under Montgomery County Code 49-62(g), if an agency or other party does not respond within 60 days after notice is first published pursuant to section 49-62(e), the County Executive must presume that the agency or other party does not oppose the proposal. More than 60 days have elapsed since comments were requested from the Police Department and therefore it must be presumed that the Police Department does not oppose the proposed abandonment.

No comments were received opposing the proposed abandonment.

III. Conclusions and Recommendations

The abandonment of rights-of-way is governed by the provisions of Montgomery County Code sections 49-62 and 49-63. Section 49-62 permits application for abandonment of a right-of-way by any person or government agency, provides for public agency and utility company review, and requires a public hearing with notice. The hearing and notice

procedures have been satisfied, and the public agencies and utility companies have been given an opportunity to review the petition for abandonment as described above.

Section 49-63 allows abandonment if the right-of-way is not needed for public use or if abandonment is necessary to protect the health, safety and welfare of the residents in the neighborhood. Section 49-63(d) precludes abandonment of a right of way which is the sole means of access to any property.

Parks has requested this abandonment in connection with major renovation work it seeks to do on the Evans Parkway Neighborhood Park and for which it desires to create a single parcel. The Abandonment Area is triangular in shape, unpaved and indistinguishable from the rest of the Evans Parkway Neighborhood Park. See, Exhibit 5 which reflects the Abandonment Area and the surrounding environment reflecting the park within an established neighborhood.

Based on a thorough review of the testimony and evidence of record, I find that the Abandonment Area is not needed for roadway purposes as it was initially dedicated and that it is in the public interest for Parks to formally incorporate the Abandonment Area into the Evans Neighborhood Local Park thereby creating consistency between the legal documentation for the Abandonment Area and its actual use.

For the foregoing reasons and based on a full consideration of the information presented, I recommend that the request for abandonment be granted subject to the following conditions:

1. Applicant must at its sole cost prepare and record against the Abandonment Area a permanent and perpetual public improvements easement sufficient in form and substance to allow for the current and future placement, maintenance and repair of

utilities and storm drainage, the form and substance of which must be approved by the Office of the County Attorney for Montgomery County, Maryland; and

2. Applicant must prepare and record a new record plat in accordance with the requirements of Montgomery County Code Section 49-65(d), which plat must incorporate the Abandonment Area into the unified parcel that will comprise the Evans Parkway Neighborhood Park.

Respectfully submitted,

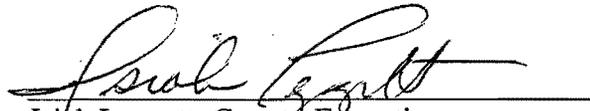

August 18, 2009

Diane Schwartz Jones
Public Hearing Officer

The Public Hearing Officer's Recommendation for AB717 has been reviewed and the recommendation for approval of the abandonment request is approved with the stated conditions.

APPEARANCES

MICHAEL CASSEDY, Department of Transportation

WILLIAM GREIS, Department of Parks

P R O C E E D I N G S

1
2 MS. SCHWARTZ JONES: Good afternoon. Today is
3 Monday, October 20, 2008. The time is approximately 1:10
4 p.m. and we are assembled in the Executive Office Building
5 Lobby Auditorium located at 101 Monroe Street in Rockville,
6 Maryland. I am Diane Schwartz Jones, an Assistant Chief
7 Administrative Officer for Montgomery County assigned as the
8 designee of the County Executive to conduct this public
9 hearing.

10 The subject of this hearing is the application of
11 the Montgomery County Planning Board of the Maryland National
12 Capital Park and Planning Commission to abandon a portion of
13 Evans Parkway in the Northbrook Estate Subdivision in Silver
14 Spring, Maryland. This hearing is being held pursuant to
15 Section 49-62(f) of the Montgomery County Code, and Executive
16 Order No. 20908 effective August 19, 2008.

17 The purpose of the hearing is to obtain public
18 input to provide the County Executive with a sound factual
19 record, and with the full benefit of citizen and community
20 recommendations in his decisionmaking process. Under Section
21 49-63(e) of the County Code, the County may close or abandon
22 the right of way if that right of way is no longer needed for
23 present or future public use, or if the abandonment or
24 closing is necessary to protect the health, safety and
25 welfare of the residents in the neighborhood.

1 At the conclusion of the hearing and the receipt of
2 any comments following the closure of the record, I will make
3 recommendations to the County Executive who, in turn, will
4 make his recommendation to the County Council. The ultimate
5 decision on abandonment will be made by the County Council.
6 It is my intention to hold the hearing record open for a
7 period of two weeks so that those who could not be with us
8 today, and those who would like to respond to what they hear
9 today can have an opportunity to get their comments on the
10 record and have them duly considered.

11 Submissions should be sent to Michael Cassedy with
12 the Montgomery County Department of Transportation. Mr.
13 Cassedy will maintain the official hearing record through the
14 close of the comment period at 5 p.m. on Monday, November
15 3rd, 2008. Comments should be sent to Mr. Cassedy's
16 attention at 101 Monroe Street, 10th Floor, Rockville,
17 Maryland 20850, or they can be sent by a facsimile to Mr.
18 Cassedy at (240) 777-

19 MR. CASSEDY: 7259.

20 MS. SCHWARTZ JONES: All comments should reference
21 the abandonment petition number which is Abandonment Petition
22 No. 717 and that should be referenced in the subject line.
23 With that, we will hear from Mr. Cassedy and then, Mr. Gries,
24 do you intend to make a statement?

25 MR. CASSEDY: Thank you. I am Mike Cassedy of the

22

1 Department of Transportation. My office is charged with
2 administering the abandonment process. As mentioned, this
3 public hearing is being held to consider the county's
4 abandoning a portion of unimproved Evans Parkway in the
5 Northbrook Estates Subdivision in Silver Spring. The
6 applicant is the Montgomery County Department of Parks.

7 The purpose of the abandonment is for the
8 Department of Parks to unite at several parcels and this
9 portion of the right of way into a new record plat and to
10 further develop its neighborhood park. In fulfillment of the
11 conditions of Section 49-62 of the Montgomery County Code, my
12 office requested comments from the public, appropriate
13 governmental agency and public utilities companies that might
14 be affected by the proposed abandonment.

15 I will now read into the record the evidence
16 required by County code. Number one is a letter dated July
17 2nd, 2008 from the Department of Parks, the applicant,
18 requesting the abandonment of this portion of Evans Parkways.

19 Exhibit 2 is Executive Order 209-08 effective date
20 August 19, 2008 authorizing a public hearing.

21 Exhibit 3 is a list of citizens that were sent
22 notices of the public hearing.

23 Number 4 is proof of newspaper advertising in the
24 Montgomery Sentinel on October 9th and October 16th, 2008.

25 Number 5 will be a GIS aerial photo of the area

1 showing right of way lines. .

2 Exhibit 6 is Plat No. 2495 showing the right of way
3 dedication in Northbrook Estates.

4 Exhibit 7 is a photograph of the sign in place and
5 a work order indicating that it was put in place actually on
6 August 12.

7 Number 8 is a letter from WSSC dated August 26
8 expressing no objection.

9 Number 9 is an e-mail and letter dated August 26,
10 also from Washington Gas, expressing an objection which can
11 be lifted by the applicant granting an easement.

12 Number 10 is the Montgomery County Planning Board
13 staff memorandum recommending approval. The Planning Board
14 will be meeting this Thursday on this. It was with no
15 condition, so I do not yet have the Chairman's letter that
16 would normally accompany the staff report. But when I have
17 that, I will enter that as an exhibit as well.

18 Number 11 is an e-mail from the Department of Fire
19 and Rescue Services dated September 8, 2008 expressing no
20 objection.

21 Exhibit 12 is a memorandum dated October 20, 2008
22 from the Department of Transportation recommending approval
23 conditioned upon the applicant granting easements for county
24 storm drains and public utilities, if any, and recording a
25 new record plat incorporating the former right of way.

24

1 Lastly, Number 13 is a letter from Pepco dated
2 September 2nd, 2008 expressing no objection.

3 Missing are comments from the police department,
4 which I will endeavor to get before the close of the record.
5 I might add that I have only, I have had no contact save one
6 phone call from the sign just wanting to know what an
7 abandonment was in this matter. If the hearing officer has
8 any questions for me regarding the abandonment process, I
9 would be glad to answer them. And, if she has any questions
10 for the applicant, a representative from the Department of
11 Parks is here and can answer those.

12 MS. SWARTZ JONES: That is it?

13 MR. CASSEDY: That is it.

14 MS. SWARTZ JONES: Just one point of clarification.
15 The applicant I had indicated was the Montgomery County
16 Planning Board. It is actually the Montgomery County
17 Department of Parks of the Maryland National Capital Park and
18 Planning Commission. And, Mr. Bill Gries is here to speak on
19 their behalf.

20 MR. GRIES: For the record, my name is Bill Gries,
21 I am with the Park Development Division of the Department of
22 Parks. As the requested abandonment was related to you
23 through Mr. Cassedy, all the information is correct. The
24 only thing I wanted to point out is that, when we originally
25 applied for this abandonment, we had the abandonment area

1 surveyed, and it was 5,331 square feet, a relatively small
2 amount of property. But that size might be reduced as we
3 meet the minimum right of way requirements for Evans Parkway.
4 So we are not going to, when we abandon, have a complete new
5 survey to know exactly what that will be, but it will not be
6 any more than the 5,331 square feet. Okay, and that is all
7 we have. All right. Thank you.

8 MS. SWARTZ JONES: Thank you, Mr. Gries. There is
9 no one else here to speak at this hearing. There is no need
10 therefore for me to repeat the instructions on where to send
11 comments. It is 1:16 and this hearing is now concluded.
12 Thank you.

13 (Whereupon, at 1:16 p.m., the hearing was
14 concluded.)
