

**MEMORANDUM**

TO: County Council

FROM: Robert H. Drummer, Senior Legislative Attorney 

SUBJECT: **Action:** Executive Regulation 24-09AM, Financial Disclosure

**MFP Committee recommends (3-0) approval of Executive Regulation 24-09AM.**

**Background**

Executive Regulation 24-09 was submitted for Method 2 Council review on January 20, 2010. See ©1. The Executive submitted Executive Regulation 24-09AM containing a revised schedule of filing positions, current though 2009 on February 23, 2010. See ©2. The Management and Fiscal Policy Committee held a worksession on Executive Regulation 24-09 on March 1, 2010.

County Code §19A-17(a) requires the County Executive, the Chief Administrative Officer, Deputy Chief Administrative Officer, special assistants to the County Executive, the director and deputy director of each department, principal office, and office in County government, and members of the Ethics Commission to file a public financial disclosure statement. Code §19A-17(b) expressly requires Assistant Chief Administrative Officers, attorneys in the Office of the County Attorney, Hearing Examiners, members of the Fire and Rescue Commission, and paid members of any board, commission, committee, or authority of County government to file a confidential financial disclosure statement.

Code §19A-17 also authorizes the County Executive to designate, by regulation issued under Method 2, other public employees in the Executive branch, the Revenue Authority, Board of License Commissioners, or Housing Opportunities Commission to file a public, limited public, or confidential financial disclosure statement. When making this designation, §19A-17(c) requires the Executive to consider if an employee has substantial responsibility for:

1. contracting or procurement;
2. administering grants or subsidies;
3. land use, planning and zoning;
4. regulating, licensing or inspecting any business;
5. other decisions with significant economic impact;
6. law enforcement; and
7. controlling access to confidential information.

A public financial disclosure statement must include comprehensive information regarding real property interests, business interests, sources of income, gifts, offices, debts, and liabilities (Code §19A-19). A limited public financial disclosure statement must include information about any economic interest or gift that “may create a conflict between the employee or member’s personal interest and official duties” (Code §19A-17(a) (6)). The County Ethics Commission must make public financial disclosure statements and limited public financial disclosure statements available to the public for examination.

A confidential financial disclosure statement must include the same comprehensive information regarding real property interests, business interests, sources of income, gifts, offices, debts, and liabilities as is required for a public financial disclosure statement (Code §19A-19). However, the County Ethics Commission is prohibited from making confidential financial disclosure statements available to the public for examination (Code §19A-18(e) (4)).

Code §19A-17(d) requires the Executive to annually review the designation of employees required to file financial disclosure statements. Executive Regulation 35-08, Financial Disclosure, covering the 2008 reporting year, was submitted for Council review under Method 2 on January 5, 2009. Executive Regulation 35-08 was approved by the Council on February 24, 2009. Executive Regulation 24-09AM, Financial Disclosure, covers the 2009 reporting year.

### **Issues**

**1. What changes have been made in the designation of employees required to file financial disclosure statements from Executive Regulation 35-08?**

The Executive’s transmittal memo states that the designation of positions has been amended to reflect the movement of positions from one department to another, positions that have been abolished, and positions that no longer are assigned duties that warrant financial disclosure (e.g., contracting or procurement duties). Positions whose duties now warrant filing a financial disclosure statement have also been added. The Executive advertised this regulation in the November issue of the County Register with a 30 day comment deadline. No comments were received.

The Executive is also proposing to change the filing status of one position in the Office of Intergovernmental Relations (OIR), and 3 positions in the Police Department, from public to confidential. The OIR position is a grade 28 legislative analyst that was previously identified as a public filer in error. The 3 Police positions (Manager II, Manager III, and Program Manager) all work in the Management and Budget Division. Although they meet the criteria for filing a financial disclosure statement, public filing is usually limited to Department Heads, Deputies, and Division Chiefs of large Divisions. The Police Chief and his 3 Deputies all file public statements. The Police Chief’s explanation for this proposed change is at ©61.

Attached at ©10-57, please find a spreadsheet listing the division, job title, filing type, and reviewer for each position that has been designated by the Executive to file a financial disclosure statement for the 2009 reporting year with the positions added from last year underlined and the positions removed shown in brackets.

**Committee recommendation (3-0):** approve Executive Regulation 24-09AM as submitted by adopting the proposed Resolution at ©58.

**2. Should the Council amend the list of Legislative Branch positions required to file financial disclosure statements?**

County Code §19A-17 expressly requires Councilmembers, the Council’s Staff Director, Deputy Staff Director, the Director of the Office of Legislative Oversight, members of the Board of Appeals, members of the Merit System Protection Board, and the director and deputy director of each Legislative Branch department, principal office, and office to file a public financial disclosure statement. The law also expressly requires the Hearing Examiners to file confidential statements. §19A-17(a)(5) and §19A-17(b)(8) also authorize the County Council to designate by resolution certain employees of the Legislative Branch of County government who must file public, limited public, or confidential financial disclosure statements after finding that doing so will promote trust and confidence in County government. The Council is required to annually review the list of employees required to file public or confidential financial disclosure statements. The Council adopted Resolution 16-467 on March 4, 2008 designating the Legislative Branch employees who must file financial disclosure statements.

There have been no changes in position titles or duties in the Legislative Branch since the adoption of Resolution 16-467, attached at ©59-60. The Resolution provides that it applies to financial disclosure statements for 2008 and later calendar years. **Committee recommendation (3-0):** no changes are needed to Resolution 16-467.

SUBJECT: Proposed Executive Regulation 24-09 (Financial Disclosure)

Method 2

ENCLS IN FILE

I am transmitting proposed Executive Regulation 24-09 (Financial Disclosure) promulgated under Method 2, for Council review and approval. Section 19A-17 of the County's Ethics Law authorizes the County Executive to designate those public employees in the executive branch, Revenue Authority, Board of License Commissioners, and Housing Opportunities Commission who are required to file financial disclosure statements. These statements promote trust and confidence in County government by helping ensure that filers do not have a conflict of interest with their specific position.

I am proposing that the Council change the filing status of one position in the Office of Intergovernmental Relations (OIR), and three positions in the Police Department, from public to confidential. The position in OIR is a grade 28 legislative analyst that was previously identified as a public filer in error. The three Police positions (a Manager II, Manager III, and Program Manager) all work in the management and budget division and, while they meet the criteria for filing a financial disclosure statement, public filing is usually limited to department heads, deputies, and large-division chiefs. A memorandum from the Police Chief explaining this change is attached. The Police Chief and his three deputies all file publicly.

As in past years, the schedule attached to the proposed regulation has been amended as necessary to reflect the movement of positions from one department to another. Positions were deleted from regulation where they were abolished or the department did not assign them duties that warranted filing a financial disclosure statement (e.g., contracting or procurement duties). Positions whose duties warrant filing a financial disclosure statement have been added to the regulation.

The Ethics Law requires me to annually review the list of employees. This regulation was advertised in the November issue of the Montgomery County Register with a 30-day comment deadline. No comments were received. A fiscal impact statement is also attached.

ENCL IN FILE

SUBJECT: Proposed Executive Regulation 24-09AM (Financial Disclosure)

I am transmitting proposed Executive Regulation 24-09AM (Financial Disclosure) promulgated under Method 2, for Council review and approval. This amendment updates the schedule attached to the proposed regulation I sent to you on January 20, 2010; the regulation itself is still unchanged from last year. In addition to "clean" and "bracket and underline" versions of the schedule, I am also enclosing a version of the schedule showing only the changes from last year.

The only substantive change I am proposing in 24-09AM is a change to the filing status of a Manager I position in DHCA (Chief Operating Officer) from confidential to public, in order to be consistent with other division chiefs in the department. Executive Regulation 24-09AM also corrects some typographical errors (e.g., two employees listed under wrong department, a position marked for deletion in the bracket and underline version was not deleted from the "clean" version, etc.).

SUBJECT: Executive Regulation 24-09, Financial Disclosure Statements

REGULATION SUMMARY

This executive regulation designates those public employees the County Executive requires to file a public, limited public, or confidential disclosure statement. This amendment to the regulation constitutes the annual revision of this regulation and establishes a process for identifying specific employees who must file a disclosure statement.

FISCAL SUMMARY

Since this executive regulation only establishes a process for identifying specific employees who must file a disclosure statement, it does not require additional resources to implement so it will not have a fiscal impact on the County.

Edward B. Lattner of the Office of the County Attorney and Bryan Hunt of the Office of Management and Budget contributed to this analysis.

MEMORANDUM

December 14, 2009

TO: Fariba Kassiri, Assistant Chief Administrative Officer  
Office of the County Executive

FROM: J. Thomas Manger  
Chief of Police 

SUBJECT: Financial Disclosure

On October 8, 2009, the Office of Human Resources sent a listing of employees in the Police Department required to file financial-disclosure statements and asked that the list be verified and revised. On that list, three employees in the Management and Budget Division were identified as required to file public financial-disclosure statements.

According to Article IV, Financial Disclosure of the Montgomery County Code, Chapter 19A, Ethics, persons who must file a public financial-disclosure statement are: incumbents and candidates for County Exec, County Council; CAOs, Deputy CAOs, Special Assistants to the CE; Directors and deputy directors of each department, principal office and office in the County government; members of Board of Appeals, Commission and Merit System Protection Board; and any employee ... the CE designates by regulation issued under method 2 after finding it will promote trust and confidence in County government.

The definition above does not describe employees working below the level of deputy director in the area of Management and Budget and so it seemed that their designation to file a public financial-disclosure statement could be in error. The section that describes persons who must file a confidential financial-disclosure statement specifically included public employees who have substantial responsibility for: contracting or procurement, administering grants or subsidies and other decisions with significant economic impact. These criteria fit supervisors working with the budget.

As a result, it was to revise the Department's listing of individuals required to file financial disclosure as requested by the Office of Human Resources that the three managers in the Management and Budget Division of the Police Department were changed from public to confidential filing status.
