Leggett Seeks Applicants for Water Quality Advisory Group

County Executive Isiah Leggett is seeking applicants to fill six vacancies on the Water Quality Advisory Group, one each from the following communities: academic and scientific, agricultural, business, and environmental; and two from the public-at-large. These vacancies may be filled with qualified applicants in any category if there are not sufficient qualified applicants within the specific vacant categories.

The 15 voting members and 3 non-voting agency members provide recommendations to the County Executive and County Council each year on issues related to the County's water quality goals, objectives, policies and programs.

Members serve three-year terms without compensation, but are eligible for reimbursement for travel and dependent care for meetings attended. Meetings are usually held the second Monday evening of each month at the Department of Environmental Protection, 255 Rockville Pike, #120, Rockville.

Applicants of diverse backgrounds, professions, gender, geography, disability and ethnicity are encouraged to apply. An application, consisting of a **brief cover letter and resume**, should be sent by mail to County Executive Isiah Leggett, 101 Monroe Street, 2nd Floor, Rockville, MD 20850, or by email to countyexecutive.boards@montgomerycountymd.gov. Home and employment addresses, as well as contact phone numbers and email addresses should be included. If appropriate, applicants should indicate the position for which they are applying. The deadline for application is **March 31**.

Members of County boards, committees and commissions may not serve on more than one such group at a time. Leggett's appointments are subject to confirmation by the County Council. Applications of those selected for appointment are made public as part of the confirmation process.
