Leggett Seeks Applicants for Pedestrian and Traffic Safety Advisory Committee

County Executive Isiah Leggett is seeking applicants to fill three public member vacancies on the Montgomery County Pedestrian and Traffic Safety Advisory Committee.

The 17-member Advisory Committee includes six government representatives, one public school representative, one Maryland Municipal League representative, and nine general public members who represent various regions of Montgomery County, including one representative of the bicycle advocacy community. The Committee, initially established in 2002 with original duration of five years, was granted an extension through July 2012.

This Committee provides advice to the County Executive, County Council, and elected officials on implementation of the County's Pedestrian Safety Initiative, priorities and needs in the area of pedestrian and bicycle safety and access, gathers information on pedestrian and bicycle safety, and identifies any new issues that may emerge.

Members serve three-year terms without compensation, but are eligible for reimbursement for travel and dependent care for meetings attended. Meetings generally are held every other month on weekday evenings. All members are also expected to serve on various sub-committees, and these meetings will be held as needed.

Applicants of diverse backgrounds, professions, gender, geography, disability and ethnicity are encouraged to apply. An application, consisting of a **brief cover letter and resume**, should be sent by mail to County Executive Isiah Leggett, 101 Monroe Street, 2nd Floor, Rockville, MD 20850, or by email to countyexecutive.boards@montgomerycountymd.gov. Home and employment addresses, as well as contact phone numbers and email addresses should be included. If appropriate, applicants should indicate the position for which they are applying. The deadline for application is **June 14**.

Members of County boards, committees and commissions may not serve on more than one such group at a time. Leggett's appointments are subject to confirmation by the County Council. Applications of those selected for appointment are made public as part of the confirmation process.
