**SUBJECT:** To authorize Montgomery County, pursuant to and in accordance with Chapter 20 of the Montgomery County Code, as amended, and Section 5(P)(2) of Article 25A of the Annotated Code of Maryland (2005 Replacement Volume and 2007 Supplement) to issue and sell its revenue bonds in an amount not to exceed \$50,000,000 at one time or from time to time, in one or more series, as limited obligations and not upon the faith and credit of Montgomery County, in order to provide funding for the acquisition and/or renovation of properties for the purpose of preserving or increasing the inventory of affordable housing in Montgomery County; to provide that the County Executive may provide for the date of maturity, fix the rate or rates of interest, fix the denomination and provide for the manner of sale of the revenue bonds; to make certain covenants with respect to the revenue bonds; to provide that the County Executive and other County officials must take all necessary, proper or convenient action to effect the issuance, sale and delivery of the revenue bonds; and generally to provide for and determine various matters in connection with the revenue bonds.

**Background**

1. The County Executive of Montgomery County, Maryland (the "County Executive") and the County Council of Montgomery County, Maryland ("County Council") recognize that there is a significant need for quality housing in Montgomery County, Maryland ("Montgomery County") for households of limited income. The County Council enacted the Montgomery County housing policy, codified at Sections 25B-1 *et seq.* of the Montgomery County Code, as amended, and its policy with respect to displacement of tenants from rental housing, codified at Sections 53A-1 *et seq.* of the Montgomery County Code, as amended, to address the issue of the diminishing stock of affordable housing.

2. Section 5(P)(2) of Article 25A of the Annotated Code of Maryland (2005 Replacement Volume and 2007 Supplement) (the “State Revenue Bond Act”) authorizes Montgomery County, as a charter county, to issue bonds or other obligations payable solely from the funds or revenues received from or in connection with any system, project or undertaking, all or part of which is financed with the proceeds of the bonds or other obligations issued for such purpose and that such bonds or other obligations do not constitute an indebtedness of the county or a pledge of its faith and credit or taxing power.
3. Sections 20-47 to 20-54 of the Montgomery County Code, as amended, (the “County Revenue Bond Act”) provides in part that Montgomery County has the power to issue revenue bonds payable solely from the funds or revenues received from or in connection with any project, all or any part of which is financed with the proceeds of such revenue bonds.
4. Section 20-51 of the County Revenue Bond Act provides that the county executive must specify, prescribe, determine, provide for, or approve all matters, forms, documents, or procedures that the county executive deems appropriate to effect the authorization, sale, security, issuance, delivery, and payment of or for revenue bonds, subject to certain limitations.
5. Section 20-52 of the County Revenue Bond Act provides that the proceeds of revenue bonds issued pursuant thereto may be applied only to (i) pay the costs of the projects for which the revenue bonds are authorized; or (ii) any fund created for the payment of the revenue bonds.
6. Section 20-54 of the County Revenue Bond Act provides that revenue bonds issued pursuant to the Revenue Bond Act do not constitute a pledge of the full faith and credit of Montgomery County.
