

Resolution No.: 16-1411  
Introduced: June 29, 2010  
Adopted: June 29, 2010

**COUNTY COUNCIL  
FOR MONTGOMERY COUNTY MARYLAND**

---

By: County Council

---

**SUBJECT:** Approval of Executive Regulation 7-10, Eating and Drinking Establishments - Nutrition Labeling

**Background**

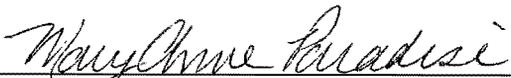

1. Executive Regulation 7-10 would implement Council Resolution 16-1194 and Bill 19-07, codified at §15-15A, Eating and Drinking Establishments – Nutrition Labeling. Resolution 16-1194 and Bill 19-07 require that calories and other nutritional information be provided at restaurant chains with 20 or more locations nationwide.
2. On June 15, 2010, the County Council received Executive Regulation 7-10, Eating and Drinking Establishments – Nutrition Labeling.
3. Under Method (2), if the Council does not approve or disapprove a regulation within 60 days after the Council receives the regulation, it is automatically approved and takes effect the day after the deadline for approval or a later date specified in the regulation.
4. On June 21, 2010, the Health and Human Services Committee reviewed Executive Regulation 7-10 and recommended approval.

**Action**

The County Council for Montgomery County Maryland approves the following resolution:

Executive Regulation 7-10, Eating and Drinking Establishments – Nutrition Labeling is approved.

This is a correct copy of Council action.

**BACKGROUND INFORMATION:** County Code §2-65, as amended effective August 10, 2000, provides that the County Council is and may act as, the County Board of Health, and in that capacity may adopt any regulation which a local Board of Health is authorized to adopt under state law. Maryland Code of Health-General Article §3-202(d) authorizes the County Board of Health to adopt rules and regulations regarding any nuisance or cause of disease in the County. On September 18, 2007, the County Council held a public hearing on this regulation. As required by law, each municipality in the County and the public were properly notified of this hearing. The County Council, sitting as the Board of Health, found after hearing the testimony and other evidence in the record of the public hearing that requiring nutrition labeling is necessary to protect the health of patrons of eating and drinking establishments in the County. The Council adopted Bill 19-07 and Resolution 16-1194 on November 17, 2009.

(2) The additional nutrition information may be calculated according Code of Federal Regulations Titles 9 and 21 and any other applicable federal law, expressed in the increments indicated in Section I and listed with an approved descriptive designation. Nutritional information may also be calculated using nutrient databases, laboratory analysis or other reliable verifiable means of analysis.

(3) The additional nutrition information must be provided per serving or per menu item when obtained from a self service unit or a display case.

(4) The additional nutrition information must be provided as a range of the minimum and maximum values for each menu item if:

- (a) listed as a single menu item and if offered as a combination meal;
- (b) if substitution of one or more ingredients is permitted as so indicated on the menu; or,
- (c) if offered in more than one flavor or variety.

(5) Nutritional value increments may be rounded consistent with U.S. Food and Drug Administration Center for Food Safety and Applied Nutrition/Office of Nutrition, Labeling, and Dietary Supplements April 2008, Appendix H: Rounding the Values According to FDA Rounding Rules.

#### Section IV: Posting of Information

A. The number or range of Calories must be clearly and conspicuously posted adjacent to each menu item so as to be clearly associated with that menu item. For menu items that are offered in a variety of sizes, the number or range of Calories must be posted for each size offered. For beverages, the number or range of Calories must be posted for a full serving without the addition of ice.

B. The statements required in Section III(B) must be clearly and conspicuously posted on a menu and on a menu board. In the event multiple menu boards are installed in succession, the required statements must be posted on at least one of the menu boards. In the event a menu item is obtained from a self service unit or a display case and the item is not listed on a menu or menu board, the required statements must be posted at the self service unit or display case.
