SUBJECT: Appointments to the Montgomery County Organizational Reform Commission

Background

1. Resolution No. 16-1350 adopted on May 18, 2010, established the Montgomery County Organizational Reform Commission to make recommendations for potential reorganization or consolidation of functions performed by County government and County-funded agencies.
2. The Commission must solicit suggestions for potential reorganization or consolidation of functions performed by County government and County-funded agencies from: elected officials; County residents; business and community leaders; County and agency employees; bargaining unit representatives; and other stakeholders.
3. The Commission must draft and adopt written criteria to evaluate which suggestions merit further consideration by the Commission. The criteria must include: a minimum level of potential cost savings (for example, \$1 million per year); a standard for ease of implementation; and a measure of acceptable service level impact.
4. No later than September 30, 2010, the Commission must submit a status report of its progress to the Council and the Executive outlining its progress to date and its work plan through January 31, 2011. Executive staff and Council staff must provide support to the Commission.
5. The Commission must submit its final report to the Executive and Council no later than January 31, 2011. The report must contain the Commission's recommendations to reorganize or consolidate functions performed by County government or County-funded agencies. For each recommendation for reorganization or consolidation, the Commission's report must include the rationale and estimated cost savings associated with implementing the recommendation.
