

Resolution No.: 16-1514
Introduced: October 5, 2010
Adopted: October 12, 2010

**COUNTY COUNCIL
FOR MONTGOMERY COUNTY, MARYLAND**

By: Council President at the Request of the County Executive

SUBJECT: An Application by the Jewish Social Service Agency (JSSA) to the State of Maryland Community Investment Tax Credit Program for acquiring Tax Credits

Background

1. The State of Maryland Department of Housing and Community Development (MDDHCD) has established the Community Investment Tax Credit Program (CITC).
2. CITC is a part of the Smart Growth initiative designed to promote efforts to support a variety of projects for special populations, to provide a source of funds for assistance, and to support projects undertaken by the nonprofit sector.
3. CITC provides tax credits to corporations that donate funds to nonprofit organizations that provide services and projects to special population areas throughout the state.
4. Montgomery County supports the provision of personal care and homecare services for special populations.
5. The Jewish Social Service Agency (JSSA) provides a wide range of services, including counseling, home care, vocational, and social services to individuals of all ages. The proceeds from these tax credits will be used to support JSSA's Baths Program for Low-Income Seniors. This is a safety-net service provided to seniors who cannot perform daily tasks such as bathing, grooming, and homecare. Without these services, many needy clients would become institutionalized.
6. Under CITC, JSSA has applied to MDDHCD for approval of the project and an allocation of \$50,000 in tax credits for business entities that contribute to the project.
7. The County Executive and the County Council support the grant application of JSSA for \$50,000 in tax credits. This support is given as specified in COMAR 05.14.01.05B(10)(a).
