

Resolution No.: 17-93
Introduced: April 5, 2011
Adopted: April 12, 2011

**COUNTY COUNCIL
FOR MONTGOMERY COUNTY, MARYLAND**

By: County Council

SUBJECT: Resolution to Designate the Montgomery County Collaboration Council for Children, Youth, and Families as the County's Local Management Board for Children, Youth and Families

Background

1. State law requires the County to establish or designate a local management board to ensure the implementation of a local, interagency service delivery system for children, youth, and families. Under State law, the County may designate a quasi-public, nonprofit corporation that is not an instrumentality of the County to act as the County's local management board.
2. Section 2-119 of the County Code establishes a process to designate a quasi-public corporation as the local management board. It also establishes certain criteria that a quasi-public corporation must meet to be designated as the local management board.
3. On April 26, 2004, the Montgomery County Collaboration Council for Children, Youth, and Families submitted its articles of incorporation and by-laws to the County Council and formally requested to be designated as Montgomery County's Local Management Board. The Council approved this designation in Resolution 15-599 on May 11, 2004.
4. By law, the Council's designation of a local management board expires three years after the designating resolution is adopted unless the Council extends the designation by adopting another resolution.
5. On March 20, 2007, the Council adopted Resolution 16-76, re-designating the Montgomery County Collaboration Council for Children, Youth, and Families as the Montgomery County's Local Management Board for a second three year period. The designation was scheduled to expire on March 20, 2010 in the absence of Council action.
6. Because of uncertainty regarding the Collaboration Council's FY11 funding and key staffing changes, the Council acted on March 16, 2010 to extend the designation through June 30, 2011 in Resolution 16-1293. The extension was intended to give the organization time to respond to fiscal and administrative changes and allow the Council to review the organization's performance and future plans.
