

Resolution No.: 17-465
Introduced: June 12, 2012
Adopted: June 12, 2012

**COUNTY COUNCIL
FOR MONTGOMERY COUNTY, MARYLAND**

By: County Council

SUBJECT: Extension of Time for Council Action on Executive Regulation 3-12, Hazardous Materials Use Permit

Background

1. On April 16, 2012, the County Executive transmitted Executive Regulation 3-12, Hazardous Materials Use Permit. Executive Regulation 3-12 adds a new category under both the “High Use Facilities” and “General Use Facilities” definition, establishes a consultation fee, increases late fees for facilities that do not register within 180 days, and adds a waiver provision by which the Office of Emergency Management and Homeland Security Manager may waive or reduce required fees.
2. Under Method (2), if the Council does not approve or disapprove a regulation within 60 days after the Council receives the regulation, it is automatically approved and takes effect the day after the deadline for approval or a later date specified in the regulation.
3. County Code Section 2A-15 allows the Council by resolution to extend the deadline for action on a regulation under Method (2).
4. The Public Safety Committee discussed Regulation 3-12 on May 11, 2012 and recommended that the Executive transmit an amended regulation incorporating changes supported by the Committee.
5. The deadline for Council action on Executive Regulation 3-12 is June 16, 2012. The County Executive did not transmit Executive Regulation 3-12AM in time for Council action prior to the deadline.

Action

The County Council for Montgomery County Maryland approves the following resolution:

The Council extends the time for action on Executive Regulation 3-12, Hazardous Materials Use Permit to December 31, 2012.

This is a correct copy of Council action.
