**COUNTY COUNCIL
FOR MONTGOMERY COUNTY MARYLAND**

Lead Sponsor: Council President at the request of the County Executive

SUBJECT: Grant of franchise to Fiberlight, LLC. to use the public right-of-way

Background

1. Sections 49-20 and 49-21 of the County Code provide that the County Council may grant a franchise for use of the public right-of-way after:
 - a) the franchise applicant publishes notice of the application once a week for three consecutive weeks in a newspaper of general circulation in the County;
 - b) the County Executive investigates the value of the franchise and the adequacy of the proposed compensation the applicant will pay to the County;
 - c) the Executive holds a hearing on the application if any taxpayer or affected property owner objects to the franchise within 10 days after the last notice of the application is published;
 - d) the Executive makes a written recommendation to the Council about the franchise, including findings about the value of the franchise, any response to objections that have been raised, and any other relevant issues; and
 - e) the Council decides that the franchise is expedient and proper.
2. On August 11, 18, and 25, 2016, Fiberlight, LLC. published notice of its application for a franchise to use the public right-of-way. The Executive received no objection to the franchise by the September 7, 2016 deadline and was therefore not required to conduct a hearing on the franchise application.
3. September 14, 2016, the Council received the Executive's recommendation to grant a franchise to Fiberlight, LLC. and a proposed franchise agreement.

3. SCOPE OF FRANCHISE.

3.1 Any and all rights expressly granted to FiberLight under this Agreement, which shall be exercised at FiberLight's sole cost and expense, shall be subject to the prior and continuing right of the County under applicable Law to use any and all parts of the Public Right-of-Way only, exclusively or concurrently, with any other Person, and further shall be subject to all deeds, easements, dedications, conditions, covenants, restrictions, encumbrances, and claims of title which may affect the Public Right-of-Way. Nothing in this Agreement shall be deemed to grant, convey, create, or vest a perpetual real property interest in land in FiberLight, including any fee, leasehold interest, or easement. The County makes no representations or warranties with respect to the title to the Public Right-of-Way or the nature of the County's interest in the Public Right-of-Way. If there are other interests, if any, in the Public Right-of-Way, FiberLight must obtain the necessary consent for its use from each Person who holds any such interest. FiberLight must indemnify and hold the County harmless from any claims or costs arising out of or related to a constitutional takings claim or other legal action by reason of FiberLight's use of the Public Right-of-Way.

3.2 The County hereby grants a non-exclusive right to FiberLight to construct, reconstruct, install, operate, maintain, locate, move, remove, reattach, reinstall, relocate, and replace the Facilities in or upon, under, above, and across the Public Right-of-Way, in accordance with County law for use in the provision of Services to Persons located inside or outside the County. During the term of this Agreement, the proposed location of the Facilities by FiberLight or its designee shall be disclosed, in writing, to the County by FiberLight at least fifteen (15) days prior to its construction, reconstruction, installation, location, removal, reattachment, reinstatement, or relocation. Such proposed locations shall be incorporated into this Agreement as Exhibit A. A map of FiberLight's currently planned facilities location is attached hereto as Exhibit A. In the event the location of FiberLight's facilities changes materially between now and the date of construction, FiberLight will provide an updated map at least fifteen (15) days prior to construction and installation of its facilities.

3.3 The County hereby further authorizes and permits FiberLight to construct, reconstruct, install, operate, maintain, locate, move, remove, reattach, reinstall, relocate, and replace its Facilities in or on street light poles, power poles, or other property owned by public utility companies or other property owners located within the Public Right-of-Way as may be permitted by the public utility company or property owner, as the case may be. To the extent required by Law, FiberLight shall obtain permission from the individual utility or property owner prior to the time that FiberLight undertakes any of the activities permitted by this Agreement. Upon request, FiberLight shall provide documentation of said permission to the County. Prior to undertaking any construction activity, FiberLight shall provide reasonable advance notice to affected property owners as required by Law.

3.4 Except as permitted by applicable Law or this Agreement, in the performance and exercise of its rights and obligations under this Agreement, FiberLight shall not interfere in any manner with the existence and operation of any and all public and private rights-of-way, sanitary sewers, water mains, storm drains, gas mains, poles, aerial and underground electric and telephone wires, electroliers, cable television, and other telecommunications, utility, and County or municipal property without the express written approval of the owner or owners of each affected property.

3.5 FiberLight shall comply with all applicable Law in the exercise and performance of its rights and obligations under this Agreement. FiberLight hereby acknowledges that the rights granted by this Agreement are subject to the police powers of the County.

3.6 FiberLight represents and agrees that the Facilities subject to this Agreement will be used exclusively for the rendering of Services and no other services, except to the extent that FiberLight is required by State or Federal authorities, in the proper exercise of their jurisdiction over such matters, to make the Facilities available for use by third parties.

4. FEES AND TAXES.

4.1 FiberLight acknowledges and agrees that the County may require Subscribers to pay a users' tax to the County. If FiberLight provides Service to any Subscribers who are subject to a users' tax, FiberLight agrees to collect the tax from any such Subscribers and remit such tax to the County in accordance with applicable County law.

4.2 The County is not presently seeking monetary compensation for FiberLight's use and occupation of the Public Right-of-Way. The County reserves the right to charge FiberLight as compensation for this Agreement, an amount equal to five percent (5%) of FiberLight's Gross Revenues or such other amount set by County law or resolution. If such a charge is imposed, FiberLight will pay the amount every six (6) months. FiberLight acknowledges the County's authority to obtain compensation for the use and occupation of the Public Right-of-Way.

4.3 If the County charges FiberLight monetary compensation, FiberLight shall keep accurate books of account, and make such books of account available for inspection in the County for the purpose of determining the amounts due to the County under Section 4.2. The County shall have the right to inspect FiberLight's books of account at any time during regular business hours on five (5) business days' prior written notice and may audit the books from time to time at the County's sole expense, but in each case only to the extent necessary to confirm the accuracy of payments due under Section 4.1 or 4.2. No later than one hundred twenty days from the end of FiberLight's fiscal year, FiberLight must file with the County an annual statement of revenues, certified by FiberLight's chief financial officer relating to its operations and revenues within the County. The County agrees to keep confidential any non-public information it receives from FiberLight in accordance with applicable law. The statement of revenues shall include a detailed breakdown of the Gross Revenues and uncollectible accounts for the fiscal year,

and shall be prepared in accordance with Generally Accepted Accounting Principles.

4.4 FiberLight shall reimburse the County within thirty (30) days of the receipt of a request, for all reasonable expenses relating to the preparation, issuance, implementation and administration of this Agreement, not to exceed Two Thousand Dollars (\$2,000) in the aggregate.

5. REMOVAL AND RELOCATION OF FACILITIES.

5.1 FiberLight understands and acknowledges that the County may require FiberLight to relocate the Facilities. At the County's request, FiberLight shall, within thirty (30) days after receipt of prior written notice in situations described in subsection (i) below, and immediately in situations described in subsections (ii) and (iii) below, relocate the Facilities, at FiberLight's sole cost and expense, whenever the County reasonably determines that relocation is needed: (i) to facilitate or accommodate the construction, completion, repair, relocation, or maintenance of a County project, facility, or service; (ii) because the Facilities are interfering with or adversely affecting proper operation of the County light poles, traffic signals, or other County facilities, or (iii) to protect or preserve the public health, safety, or welfare including, without limitation, any emergency situation. FiberLight must obtain all permits and approvals required by the County before relocating the Facilities. If FiberLight fails to relocate the Facilities as requested by the County in accordance with this paragraph, the County shall be entitled to remove the Facilities at FiberLight's sole cost and expense.

5.2 In the event that any part of the Facilities subject to this Agreement is abandoned by not being placed in service for a period of six (6) consecutive months or more, FiberLight promptly shall notify the County, and FiberLight must, at FiberLight's sole cost and expense, promptly remove the abandoned part of the Facilities or dedicate the same to the County. The County shall not issue notice to FiberLight that the County requires removal or dedication of any part of the Facilities, unless and until the County first issues all required County permits and approvals required of the County for such activity and gives fifteen (15) days' prior written notice to FiberLight to remove the Facilities. If FiberLight shall fail to remove any part of the Facilities as required by the County under this paragraph, the County shall be entitled to remove any part of the Facilities at FiberLight's sole cost and expense. FiberLight shall execute such documents of title as will convey all right, title, and interest in the abandoned Facilities, but in no other property, intellectual or otherwise, to the County.

5.3 Whenever the construction, reconstruction, installation, location, removal, reattachment, reinstallation, or relocation of the Facilities is performed by FiberLight under this Agreement, and such construction, reconstruction, installation, location, removal, reattachment, reinstallation, or relocation shall cause the Public Right-of-Way to be damaged, FiberLight, at its sole cost and expense, promptly shall repair and return the Public Right-of-Way to its previous condition. If FiberLight does not repair the site as required, then the County shall have the option to perform or cause to be performed such reasonable and necessary work on behalf of FiberLight and charge FiberLight for the proposed costs to be incurred at the County's standard rate, if any, or the actual costs incurred by the County. Upon the receipt of a demand for payment by the County, FiberLight shall reimburse the County for such costs.

6. CONSTRUCTION PERMIT AND SECURITY DEPOSIT.

6.1 In the event that the construction, reconstruction, installation, location, removal, reattachment, reinstallation, or relocation of the Facilities shall require any construction work in the Public Right-of-Way, FiberLight shall apply for the appropriate street opening and other permits required by Law. FiberLight shall perform such construction work as required by the permits and in accordance with all applicable Laws.

6.2 Within thirty (30) days of the completion of any construction, reconstruction, installation, location,

removal, reattachment, reinstallation, or relocation work, FiberLight promptly shall furnish to the County, in hard copy and electronic format or other format reasonably acceptable to the County, suitable documentation containing a full set of drawings showing, in detail, the exact location of the Facilities in the Public Right-of-Way.

6.3 FiberLight shall deposit or file with the County a cash security deposit, a surety bond acceptable to the County Attorney, or letter of credit acceptable to the County Attorney within thirty (30) days of the Effective Date, in the amount of Fifty Thousand Dollars (\$50,000) as security for the faithful performance by FiberLight of the provisions of this Agreement and the Laws. If FiberLight fails to pay the County any taxes, fees, costs or expenses within ten (10) days of receipt of notice to pay from the County, or fails to comply with any provision of this Agreement or the Laws that can be remedied by an expenditure from the security fund, then the County may proceed to immediately withdraw the amount thereof or proceed against the surety bond or the letter of credit. Such action by the County is in addition to any other remedy provided to the County by this Agreement or the Laws. In the event that the Franchise is terminated or revoked for cause by the County, the security fund shall become the property of the County, unless there are no outstanding defaults or moneys owed to the County, in which case, FiberLight may request that the County return the security deposit, the surety bond, or the letter of credit.

7. INDEMNIFICATION AND WAIVER.

7.1 FiberLight agrees at its sole cost and expense to indemnify, protect, defend (with counsel acceptable to the County) and hold harmless the County, the county executive, county council members, officers, employees, and agents, from and against any and all claims, demands, losses, damages, liabilities, fines, charges, penalties, administrative and judicial proceedings and orders, judgments, remedial actions of any kind, and all costs and cleanup actions of any kind, all costs and expenses incurred in connection therewith, including, without limitation, reasonable attorney's fees and costs of defense (collectively, the "Losses") arising, directly or indirectly, in whole or in part, out of the activities or Facilities of FiberLight, its officers, employees agents, consultants, attorneys, and contractors, described in this Agreement, except to the extent arising from or caused by the gross negligence or willful misconduct of the County, the county executive, county council members, officers, employees, agents, or contractors.

7.2 The waiver by either party of any breach or violation of any provision of this Agreement shall not be deemed to be a waiver or a continuing waiver of any subsequent breach or violation of the same or any other provision of this Agreement.

7.3 FiberLight waives any and all claims, demands, causes of action, and rights it may assert against the County on account of any loss, damage, or injury to the Telecommunications System or any loss or degradation of the Services as a result of a sudden or gradual loss or change of electrical power caused by or arising from the installation, maintenance, replacement, or relocation of any County-owned facility in the Public Right-of-Way (except to the extent caused by or arising from the gross negligence or willful misconduct of the County), or an Act of God, an event or occurrence which is beyond the reasonable control of the County, a power outage, or a lightning strike. Nothing herein shall be construed to waive the County's governmental immunity.

8. INSURANCE.

8.1 FiberLight shall obtain and maintain at all times during the term of this Agreement comprehensive general liability insurance and comprehensive automotive liability insurance protecting FiberLight in an amount of not less than two million dollars (\$2,000,000) (including umbrella or excess coverage) per occurrence (combined single limit), including bodily injury and

property damage, and not less than two million dollars (\$2,000,000) (including umbrella or excess coverage) aggregate, for each personal injury, products-completed operations, and each accident. Such insurance shall name the County, the county executive, its council members, officers, employees, agents, and contractors as additional insured for any liability arising out of FiberLight's performance of work under this Agreement, or suitable additional- insured endorsement acceptable to the County. Coverage shall be provided in accordance with the limits specified and the provisions indicated herein. Claims-made policies are not acceptable. Such insurance shall not be canceled or materially altered to reduce coverage until the County has received at least thirty (30) days advance written notice of such cancellation or change. FiberLight shall be responsible for notifying the County of such change or cancellation.

8.2 FiberLight, within thirty (30) days of the Effective Date of this Agreement, shall file the required original certificate(s) of insurance with endorsements with the County, subject to the County's prior approval, which shall clearly state all of the following:

8.2.1 Policy number; name of insurance company; name, address, and telephone number of the agent or authorized representative; name, address, and telephone number of insured; project name and address; policy expiration date; and specific coverage amounts. Each policy of insurance required by this Agreement shall be issued by a responsible insurance company qualified and authorized to do business in the State of Maryland.

8.2.2 That thirty (30) days prior written notice to the County is required for any change or cancellation to the insurance policy.

8.2.3 FiberLight's insurance is primary to any other valid or collectible insurance that the County may possess, including any self-insured retentions the County may have, and any other insurance the County does possess shall be considered excess insurance only and shall not be required to contribute with this insurance.

The certificate(s) of insurance with endorsements and notices shall be mailed to:

The County Council shall give FiberLight written approval or disapproval of any such proposed assignment or transfer within a reasonable time period not to exceed ninety (90) days after the Council receives FiberLight's request therefor, and the County Council's failure to approve or disapprove any such request within such ninety (90) day period shall be deemed an approval. FiberLight shall provide all information and documents reasonably requested by the County relating to the assignment or transfer.

11.2 FiberLight understands that this Agreement does not provide FiberLight with exclusive use of the Public Right-of-Way and that the County shall have the right to permit other providers of telecommunications systems to install equipment or devices in the Public Right-of-Way.

11.3 This Agreement contains the entire understanding between the parties with respect to the subject matter herein and supersedes all prior understandings and agreements, whether written or oral. 11.4 This Agreement may not be amended except pursuant to a written instrument signed by both parties.

11.5 If any one or more of the provisions of this Agreement shall be held by a court of competent jurisdiction in a final judicial action to be void, voidable, or unenforceable, such provision(s) shall be deemed severable from the remaining provisions of this Agreement and shall in no way affect the validity of the remaining portions of this Agreement.

11.6 FiberLight shall be available to the staff employees of any County department having jurisdiction over FiberLight activities 24 hours a day, 7 days a week, regarding problems or complaints resulting from the construction, reconstruction, installation, location, removal, reattachment, reinstallation, or relocation of the Facilities. 11.8 All exhibits referred to in this Agreement and any addenda, attachments, and schedules which may, from time to time, be referred to in any duly executed amendment to this Agreement are by such reference incorporated in this Agreement and shall be deemed a part of this Agreement.

11.9 This Agreement is binding upon the successors and assigns of the parties hereto.

11.10 FiberLight acknowledges that the County may develop rules, regulations, and specifications that apply to the construction, reconstruction, installation, location, removal, reattachment, reinstallation, or relocation of the Facilities in the Public Right-of-Way, and such rules, regulations, and specifications, when finalized, shall govern FiberLight's activities hereunder as if they were in effect at the time this Agreement was executed.

11.11 FiberLight agrees to comply with the non-discrimination in employment policies in County contracts as required by Section 11B-33 and Section 27-19 of the Montgomery County Code 1994, as amended, as well as all other applicable state and federal laws and regulations regarding employment discrimination. FiberLight assures the County that, in accordance with applicable law, it does not, and agrees that it will not discriminate in any manner on the basis of age, color, creed, national origin, race, religious belief, sexual preference, or handicap.

11.12 FiberLight represents that it has not retained anyone to solicit or secure this Agreement from Montgomery County, Maryland, upon an agreement or understanding for a commission, percentage, brokerage or contingent fee, except for bona fide employees or a bona fide established commercial selling or leasing agency maintained by FiberLight for the purpose of seeming business or an attorney rendering a professional legal service consistent with applicable canons of ethics.

11.14 It is expressly understood that the County shall not be construed or held to be a partner or associate of FiberLight in the conduct of FiberLight's business.

11.15 In any case where the approval or consent of one party hereto is required, requested or otherwise to be given under this Agreement, such party shall not unreasonably condition, delay or withhold its approval or consent.

11.16 Nothing in this agreement shall impair, diminish, supersede, or otherwise affect any authority or remedy that the County may have against FiberLight or any other Person, such as another current or former franchisee. This franchise is granted to FiberLight subject to any such authority or remedy, even if the exercise of that authority or remedy affects the System. FiberLight agrees to cooperate with the County in any action to enforce County law or any franchise agreement against another Person.
