Agricultural Burning General Permit

This permit is issued pursuant to Montgomery County Code Chapter 3 and the Code of Maryland Regulations 26.11.0

Permit Effective Date: May 9, 2024
Permit Expiration Date: May 31, 2024
ECCD Case #20241291

This permit authorizes:

Name: William and Claudia Pleasants
Address: 23200 Old Hundred Road
Dickerson, MD 20842

To burn agricultural debris as described herein at the following location:

The property at 23200 Old Hundred Road, Dickerson MD 20842 with Maryland Department of Assessments and Taxation identification numbers 11-00915455. The property is owned by William and Claudia Pleasants. The burn pile is accessed by entering the main gate for the property on 23200 Old Hundred Road.

This permit is subject to the following conditions:

1. Burning is prohibited during the period from June 1st through August 31st of each year.
2. Material to be burned shall have originated on the properties known as 23200 Old Hundred Road on which it is to be burned and must be agricultural debris which is directly related to qualified agricultural operations in growing crops or raising fowl or animals or in accepted forestry practices. Downed trees in pasture or crop areas and vegetative materials cleared from fence rows may also be burned.
3. It is prohibited to burn any of the following materials: ordinary household waste, construction or demolition debris, barnyard refuse, lumber, and materials which produce dense smoke when burned, including, but not limited to tires and roofing materials.
4. Prior to ignition of the fire, you must call 311 within Montgomery County (or 240-777-0311 outside the County), and Montgomery County Fire and Rescue Services at 240-683-6520, and provide notification on the day you will be burning.
5. The burn must not cause a hazardous condition or air pollution nuisance.
6. Burning may not be done within 500 yards (1,500 feet) of one or more occupied buildings, or heavily traveled public roadways.
7. A fire supervisor, 18 years of age or older, must be within direct view of the fire at all times.
8. When burning is in progress, this permit and fire extinguishing equipment, including water in sufficient quantity to extinguish the fire, must be readily available on site.
9. Designated representatives of the Department of Environmental Protection shall be granted access to the property at reasonable times for the purpose of determining compliance with this permit.
10. No fires may be started prior to 7:00 a.m. nor may materials be added to the fires after 4:30 p.m.
11. There may be no burning on weekends or holidays recognized by the Montgomery County Government unless specifically authorized by Montgomery County Department of Environmental Protection.
12. Fire control laws or regulations of other governmental agencies must not be violated.
13. You may not burn if winds are forecasted to be greater than 12 mph for your ZIP Code area as reported by the NOAA National Weather Service Forecast at <http://www.nws.noaa.gov/>.
14. You may not burn when the Governor or the Secretary of the Maryland Department of the Environment declares an air pollution episode.
15. You may not burn when NOAA declares a "red flag" warning. "A red flag warning means that critical fire weather conditions are either occurring now or will shortly. A combination of strong winds, low relative humidity, and warm temperatures will create explosive fire growth potential." Weather information may be found at: <http://www.nws.noaa.gov/>.
16. You may not burn during a temperature inversion, when the ground temperature is lower than the air mass above it. Fog is an indication of a temperature inversion. The burn may not occur when fog is forecasted or present. Weather information may be found at: <http://www.nws.noaa.gov/>.

If weather conditions change during the burn, you are required to act to mitigate the nuisance conditions.

Violations of any condition of this permit or any laws or regulations will constitute cause for revocation of this permit and fines of \$500 per violation, per day may be imposed.
