Meeting Summary:

There was no official meeting due to lack of quorum. Those present met as an ad-hoc committee and participated in the following discussion.

Presentation on Montgomery County FY24 Operating Budget: Amy Stevens reviewed the proposed FY 24 operating budget, with some inclusions from the proposed FY 24 capital budget. She noted some changes from the FY 23 budgets. When asked about a backlog of stormwater repairs, Ms. Stevens indicated that sufficient funding is being requested and that state funding cannot be used for maintenance.

WQAG Annual Report: Pamela Rathbone led a discussion as to what information is still needed to complete the annual report that she is compiling. Ms. Stevens will send some materials, including some priorities for next year. Tracy also has some material and photographs.
