Michael Osmun
Dan Snyder

Others attending

Jerry Pasternak, Pepco
Stan Edwards, MC DEP

MINUTES

The Forest Conservation Advisory Committee met as scheduled on October 21, 2014.

A presentation about Pepco's vegetation management requirements and practices was presented by Jerry Pasternak and Dan Landry, both of Pepco. A detailed discussion followed and questions and comments from the Committee were addressed by Pepco.

The minutes for the September meeting were approved. Following a discussion on how much detail the minutes should include, the Committee agreed to continue with the current format.

The proposed work plan was discussed briefly. Jean Cavanaugh will set up Google Docs and enter the first section of the draft work plan. Committee members should provide comments. If utilization of Google Docs proves helpful, this online editing process may be used for the entire work plan. The Committee agreed to strive to have this effort completed by the next meeting.

The next meeting is scheduled for November 18, 2014; at 7:00 pm. The discussion about the proposed work plan and ideas of specific things to do will be continued.
