

PUBLIC MEETING

Bedfordshire Stormwater Management Project

Join the Montgomery County Department of Environmental Protection at an open forum meeting to learn and provide comments about the Bedfordshire Stormwater Management and Stream Restoration Project. This meeting will present the conceptual designs depicting the proposed upgrades to the existing stormwater management pond and stream restoration to residents surrounding the project.

December 4, 2013

Open Forum: 6:30-7:45 pm

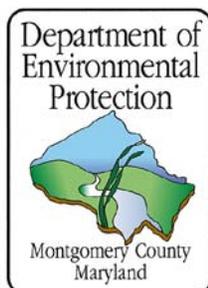

15 Minute Presentation:

6:45 - 7:00 p.m. Q & A

Location:

Potomac Community Center

11315 Falls Road, Potomac, MD
