

Stormwater Pond and Stream Walk

Fallsreach Stormwater Pond and Stream Restoration Project

The Department of Environmental Protection is proud to present the final designs for the Fallsreach stormwater pond and stream restoration project. There will be two opportunities to review these final plans. The first opportunity will be hosted inside the Potomac Community Center from 7:30-8:30pm while the second will be a streamside walk from 9-10am. You do not need to be present at both meetings.

Indoor Presentation: Wednesday, November 2, 2016

Location: Potomac Community Center
Room: Community Room
11315 Falls Road
Potomac, Maryland 20854
Time: 7:30pm to 8:30pm

Streamside Walk: Thursday, November 3, 2016

Location: Trail entrance at Trailridge Drive
Time: 9:00 am to 10:00 am
* Be sure to wear boots and clothing you don't mind getting wet in!
