

Stream Walk

Plum Gar Stream Restoration Project

Saturday, September 17, 2016

Rain or Shine Event

Time: 10:00am at the intersection of
Wheatfield Drive and the Plum Gar
stream

The Department of Environmental Protection would like to invite you to walk with us and review the proposed stream restoration designs. We welcome your input and look forward to any questions you may have.

For those who live along the stream corridor, and for those who do not live along the stream but are interested in what we are proposing, you can meet us at Wheatfield Drive, where the stream crosses the road.

Please be sure to wear boots and clothing you don't mind getting wet in!
