THIS LICENSE AGREEMENT ("Agreement") is made this ____ day of _____, 2009, by and between MONTGOMERY COUNTY, MARYLAND, 101 Monroe Street, Rockville, Maryland 20850, a body corporate and politic and a political subdivision of the State of Maryland (hereinafter referred to as the "COUNTY"), and CRICKET COMMUNICATIONS INC., dba CRICKET WIRELESS, LLC 10307 Pacific Center Court, San Diego CA, 92121, a limited liability company, organized under the laws of Delaware, with its principal place of business located at (hereafter referred to as "LICENSEE"), (the LICENSEE and the COUNTY together the "Parties").

WITNESSETH

In consideration of the fees herein after reserved and other good and valuable covenants and obligations as hereinafter contained, the Parties agree as follows:

1. USE OF LICENSED PREMISES:

(a) COUNTY hereby grants to LICENSEE a non-exclusive license to occupy and use, subject to all of the terms and conditions herein, space for communications equipment listed in Exhibit A ("Equipment") to be installed on the existing 160' monopole located on the premises of Fire Station #31, 12100 Darnestown Road, Gaithersburg, in Montgomery County, State of Maryland as more particularly described on Exhibit B attached hereto and made part hereof ("Property"). The location of LICENSEE's Equipment on the existing tower and property in close proximity to the tower is generally described on Exhibit C attached hereto and made a part hereof as the licensed premises ("Licensed Premises"). No variation will be permitted without the prior written consent of the COUNTY.

(b) LICENSEE shall have the right of reasonable ingress and egress, to install and maintain utility wires, cables, conduits, circuit boxes, switches, amplifiers, antennas or other accessories and appurtenances for use of its Equipment, subject to the restrictions in this paragraph. LICENSEE, its employees, agents, independent contractors and subcontractors shall be entitled to access the Equipment and the Licensed Premises during normal business hours (9:00 A.M. to 5:00 P.M., Monday through Friday) and, in the event of an emergency after normal business hours or on the week end, provided that in all instances LICENSEE shall check-in at County Security @ (240) 777-6161 upon its arrival. In the event no authorized representative of COUNTY is available at check-in, access to the Equipment and Licensed Premises is denied.

(c) LICENSEE shall use the Licensed Premises for the purpose of transmission and reception of radio communication signals for the Licensee's operating system in the 1800-2200MHz transmit and receive ranges. In connection therewith, the LICENSEE may complete all work necessary to prepare the Licensed Premises for operation of the Equipment, including but not limited to installation of antennas, amplifiers, cables, equipments cabinets and appurtenances. With minimal disruption to COUNTY, all work on the Licensed Premises and improvements thereto, including the plans and specifications for such work, shall be at LICENSEE'S sole cost and expense, and shall be subject to prior review and written approval of the COUNTY. The LICENSEE will maintain the Licensed Premises in good condition.

(d) It is understood and agreed that the LICENSEE'S ability to use the Licensed Premises is contingent upon its obtaining after the execution date of this Agreement and maintaining throughout the term of this Agreement all of certificates, permits, and any other approvals ("Approvals") required by any federal, state, or local authorities. In the event that any such application should be finally rejected or any Approval is canceled, expires, lapses or is otherwise withdrawn or terminated by government authority, or; if the LICENSEE in its sole discretion determines that it will be unable to use the Licensed Premises for its intended purposes due to technological reasons, the LICENSEE shall have the right to terminate this Agreement. Notice of the LICENSEE'S exercise of its right to terminate, shall be given to COUNTY in writing by certified mail, return receipt requested.

(e) LICENSEE represents and warrants that all information furnished COUNTY required herein including all data contained in specification sheets shall be of sufficient detail to afford any tenant, future tenant, or licensee adequate information to ensure that any tenant or licensee avoids interference with LICENSEE'S equipment. COUNTY reserves the right to require the LICENSEE to make necessary adjustments to its equipment in the event LICENSEE'S equipment creates a material restriction in COUNTY'S ability to enter into agreements with tenants, potential tenants or licensees.

(f) Notwithstanding affixation to the Licensed Premises, title to the Equipment and all accessories and appurtenances associated therewith installed by LICENSEE shall remain property of the LICENSEE. The LICENSEE may remove all or part of the Equipment at its sole expense on or before the expiration or earlier termination of this Agreement and shall make any necessary repairs to the Licensed Premises, normal wear and tear excepted, necessitated by such removal.

(g) LICENSEE agrees to arrange for and to pay for all of the costs of providing separate metering for all utilities which serve its operation at the Property. Licensee shall pay the costs of all utility charges for the services provided to Licensee for its operation on the Property.

(h) Licensee shall provide an as-built engineer's drawing showing the location of its Equipment on the Licensed Premises and Property within ninety (90) days of full execution of this Agreement.

(b) This Agreement may be renewed by the mutual written agreement of the COUNTY and the LICENSEE for two (2) additional five (5) year terms ("Renewal Terms"), provided that the Parties hereto reach an agreement no later than six (6) calendar months prior to the end of the Initial Term or the then current Renewal Term on the License Fee of this Agreement for the next five (5) year term, subject to a determination by the LICENSOR that it can grant such an extension. COUNTY and LICENSEE shall execute a letter of agreement stating the commencement date of the then applicable Renewal Term.

(c) The termination date ("Termination Date") of the Agreement shall be the last day of the Initial Term, or the then current Renewal Term or the earlier date on which this Agreement is terminated in accordance with the provisions hereof.

3. LICENSEE FEE:

For the first license year, LICENSEE shall pay to the COUNTY an annualized license fee of Twenty Six Thousand Four Hundred Dollars and 00/100 (\$26,400.00) payable in twelve (12) equal monthly installments of Two Thousand Two Hundred and 00/100 Dollars (\$2,200.00). The first month's license fee shall be paid on the Commencement Date and thereafter paid on the first day of each month, partial months to be prorated. Should LICENSEE fail to submit a monthly licensee fee in accordance with this Agreement, and if LICENSEE's failure continues for more than ten (10) calendar days after receipt of written notice from the COUNTY, LICENSEE shall pay to the COUNTY, in addition to and as a part of the monthly license fee in question, a late penalty equal to five percent (5%) of the monthly licensee fee. Should LICENSEE's failure continue for more than thirty (30) calendar days after a monthly license fee becomes due and payable, COUNTY shall have the right to terminate this Agreement for default, and pursue any other legal remedies available to COUNTY at law or under the terms of this Agreement. The license fee shall be increased by 3.00% per year for each license year through the remainder of the Term and all Renewal Terms in accordance with the following schedule:

COUNTY may change the types of required coverages from time to time as circumstances and changes in use of the Property warrant.

6. COUNTY LIABILITY:

Any obligation or liability of the COUNTY arising in any way from this Agreement is subject to, limited by, and contingent upon the appropriation and availability of funds, as well as the damage caps and notice requirements stated in the Maryland Local Government Tort Claims Act, currently found at Maryland Code Annotated, Courts & Judicial Proceedings Art. §§5-301 et seq.
