MEMORANDUM

November 6, 2008

TO: Timothy L. Firestine, Chief Administrative Officer

FROM: Uma S. Ahluwalia, Director *Uma*

SUBJECT: Decision Memorandum – People Encouraging People, Inc.

1. **Purpose:** The purpose of this memo is to request that a County waiver be granted to People Encouraging People, Inc., (PEP) authorizing use of office space, free of rent, at 1301 Piccard Drive, Rockville, Maryland, for a period not to exceed eighteen (18) months, beginning no later than January 1, 2009.
2. **Background:** The Department's approved FY09 Operating Budget includes a mid-year shift of the Assertive Community Treatment (ACT) Team to the Maryland State Department of Health and Mental Hygiene effective January 1, 2009. The ACT Team provides community-based mental health treatment for people with serious and persistent mental illness. There are approximately seven (7) ACT teams throughout the state including the County's team which is the only one that receives local funds. In order to achieve needed savings for FY09 the Department proposed and the Executive and Council approved a plan to return this function to the state. The State in turn agreed to fund an ACT team for Montgomery County and has designated PEP as the new service provider effective January 1, 2009.

Allowing the new ACT provider to temporarily utilize space at 1301 Piccard Drive until they are able to secure a permanent location in the County will make the transition of current Montgomery County consumers of ACT services much less disruptive. The County's ACT team currently operates from this location and serves sixty-four (64) people with serious and persistent mental illness. This is a very fragile population who have often experienced several psychiatric hospitalizations, are homeless, and/or involved in the criminal justice system. PEP, a non-profit provider, operates ACT teams that serve Anne Arundel and Prince George's Counties and Baltimore City. PEP is an excellent service provider, serving as the state's designated technical assistance advisor for ACT teams.

3. **Recommendation:** In accordance with Administrative Procedures 5-12, Section 3.6 (Attached), I am recommending that the County waive its policy not to provide a private organization with space free of rent, to assure service continuity and minimize the anxiety that typically accompanies change for this vulnerable population. Granting this waiver will ensure that Montgomery County residents receiving ACT team services will receive needed mental health treatment in a facility that is familiar to them and their families.
