

ASHLEIGH SUBDIVISION RESURFACING PROJECT

Bethesda, MD

PURPOSE

This newsletter is to inform you of the upcoming road resurfacing of Ashleigh Subdivision. Please see the reverse side of this newsletter for the project map. This project will consist of milling/resurfacing the existing pavement and employs long term strategies to improve roadway conditions. MCDOT has already completed Phase I of this project, which included patching and curb repairs.

SCHEDULE

Phase II is scheduled to resume in March and will take two to four weeks to complete, weather and other operational requirements permitting. Work hours will be between 7am and 5pm, Monday through Friday.

IMPACTS

No parking signs may be posted in advance of resurfacing on your street. You will have access to your driveway and street throughout the duration of the project. Please walk or drive carefully through the work zone and obey all posted signage. We thank you for your cooperation and patience as we work to improve the County infrastructure for residents and users.
