Director

**NOTICE OF STORM DRAIN REPAIR PROJECT
ON BEL PRE ROAD**

Dear Resident:

This letter is to inform you of the upcoming storm drain inlet repair project in your area to be managed by the Montgomery County Department of Transportation (MCDOT). The project will take place along Bel Pre Road, between North Gate Drive and Homecrest Road.

The work will be performed under contract by D & F Construction, and will include: removal and replacement of three (3) failed storm drain inlets on Bel Pre Road. The county right-of-way in front of your residence may be disturbed by the planned project improvements. Any disturbed areas will be restored directly after the storm drainage repairs and during construction activities.

This project is scheduled to start on or about August 18, 2014 and will take five (5) weeks to complete, weather permitting. Work hours are from 7 a.m. to 5 p.m. We apologize for any inconvenience this project may cause and appreciate your patience during this important construction activity. If you should have any questions or comments feel free to contact:

MCDOT Project Manager: Mr. Yisa Adegun 240-777-7641

Should you have any further questions or concerns after the work is completed, you may wish to contact the MC311 Call Center at <http://www3.montgomerycountymd.gov/311/>

We thank you for your cooperation and again we apologize for any inconvenience this project may cause. We will work with you to address any of your concerns.

Sincerely,

Yisa Adegun
Project Manager
