**NOTICE OF INTERSECTION IMPROVEMENT PROJECT ON
HEARTFIELDS DRIVE AT THE INTERSECTION OF MD 650**

Dear Resident:

This letter is to inform you of the upcoming intersection improvement project in your community. The Montgomery County Department of Transportation's (DOT) Division of Highway Services (DHS) will be managing the project, which will consist of removing the median on westbound Heartfields Drive at the intersection of New Hampshire Avenue (MD 650) to provide a 30' left turning lane.

The work will be performed under contract by D & F Construction Co., Inc. and will include: Excavating the existing traffic island at Heartfields Drive and New Hampshire Avenue, milling (grinding) the existing surface pavement, and paving the intersection to permit the addition of a left-turn lane onto New Hampshire Avenue. The county right-of-way in front of your residence may be disturbed by the planned project improvements. Any disturbed areas will be restored directly after the expansion and during construction activities.

This project will begin in early April 2014 and will require approximately seven to ten days to complete, weather permitting. Work hours are from 9 a.m. to 3 p.m. We apologize for any inconvenience this project may cause and appreciate your patience during the construction activity. If you should have any further questions or comments, you may wish to contact:

Project Contractor: D & F Construction Co., Inc. 301-990-0008
DOT Project Manager: Mr. Yisa Adegun, Hwy. Insp. II 240-777-7641

Should you have any further questions or concerns after the work is completed, you may wish to contact MC311 at <http://www3.montgomerycountymd.gov/311/>

We thank you for your cooperation and again we apologize for any inconvenience this project may cause. We will work with you to address any of your concerns.

Sincerely,

Yisa Adegun
Project Manager
