Director

**NOTICE OF CURB AND GUTTER INSTALLATION
ON BYBROOK LANE**

Dear Resident:

This letter is to inform you of the upcoming concrete curb and gutter installation project in your community. The Montgomery County Department of Transportation's (DOT) Division of Highway Services (DHS) will be managing the project, which will consist of installing standard concrete curb and gutter along the edge of the road in front of the six properties on Bybrook Lane.

The work will be performed under contract by D & F Construction. The following addresses will receive new concrete curb and gutter: 7400, 7404, 7405, 7407, and 7408 Bybrook Lane; and 2828 Greenvale Street. The county right-of-way in front of your residence may be disturbed by the planned project improvements. Any disturbed areas will be restored directly after the curb and gutter installation and during construction activities.

This project is scheduled to start on or about May 14, 2014, and will require approximately seven to ten days to complete, weather permitting. Work hours are from 7 a.m. to 5 p.m. This project will require temporary lane closures and parking restrictions within the construction work zone. We apologize for any inconvenience this project may cause and appreciate your patience during the construction activity. If you should have any further questions or comments, you may wish to contact:

DOT Project Manager: Mr. Yisa Adegun 240-777-7641

Should you have any further questions or concerns after the work is completed, you may wish to contact MC311 at <http://www3.montgomerycountymd.gov/311/>

We thank you for your cooperation and again we apologize for any inconvenience this project may cause. We will work with you to address any of your concerns.

Sincerely,

Yisa Adegun
Project Manager
