**NOTICE OF CURB INSTALLATION PROJECT
ON DALTON ROAD**

Dear Resident:

This letter is to inform you of the upcoming concrete curb and gutter installation project in your community. This project is undertaken at the request of area residents who have unanimously requested it. The Montgomery County Department of Transportation's (DOT) Division of Highway Services (DHS) will be managing the project, which will consist of installing 440 linear feet of new curb and gutter on the north side of Dalton Road, between Sherrill Avenue and Brookdale Park.

The work will be performed by the Division of Highway Services and will include: Installation of concrete curb and gutter on Dalton Road, installation of a new reinforced concrete (RCP) drainage pipe, and construction of two storm drain inlets to collect storm water and provide positive drainage. The new pipe will be connected to the existing storm drainage infrastructure. The county right-of-way in front of your residence may be disturbed by the planned project improvements. Any disturbed areas will be restored directly after the curb and gutter installation project and during construction activities.

This project is scheduled to start on or about April 21, 2014, and will require approximately three weeks to complete, weather permitting. Work hours are from 7 a.m. to 5 p.m. This project will require temporary lane closures and parking restrictions within the construction work zone. We apologize for any inconvenience this project may cause and appreciate your patience during the construction activity. If you should have any questions or comments feel free to contact:

DOT Project Manager: Mr. Yisa Adegun 240-777-7641
DOT Project Engineer: Michael Mitchell 240-777-7262

Should you have any further questions or concerns after the work is completed, you may wish to contact MC311 at <http://www3.montgomerycountymd.gov/311/>

We thank you for your cooperation and again we apologize for any inconvenience this project may cause. We will work with you to address any of your concerns.

Sincerely,

Yisa Adegun
Project Manager
