MEMORANDUM

October 6, 2016

TO: PBTSAC Committee Members

FROM: Al R. Roshdieh, Director  
Department of Transportation

SUBJECT: Chair of the Pedestrian, Bicycle & Traffic Safety Advisory Committee

I want to thank all of you for your continued service to Montgomery County and your work to improve safety for our residents. I would like to particularly express my appreciation to Darrel Droblich for his leadership and outstanding work in serving as the committee Chair for these last several years. We have made much progress in this time under Darrel's stewardship. As you are aware, Darrel's second term is coming to a close and we will be selecting new members in the coming weeks to replace him and other members who have completed 2 terms on the committee.

With the expiration of Darrel's term, we will be seeking a new Chair for the committee. I am confident that one of you will be able to step forward and provide the leadership needed for this important committee. Under its charter, the County Executive is responsible for selecting a Chair from the existing membership for a two-year term. If you are interested in taking on the role of leading the PBTSAC, I would like you to send me an email ([Al.Roshdieh@montgomerycountymd.gov](mailto:Al.Roshdieh@montgomerycountymd.gov)) by October 30, 2016 expressing your interest and your vision for the committee for the next two years. I intend to meet with all members who express interest so that we may discuss how best to work together to accomplish the important mission of improving safe and sustainable transportation in Montgomery County.

Thank you again for all your dedicated efforts to make our County a safer, and more walkable and bikeable community. I look forward to working closely with the committee in the coming years to accomplish this vision.
