### Bicyclist Collision:

*Fenton Street & Silver Spring Avenue  
3/10/2013 (Thursday) 0626 hours*

Bicyclist was traveling north of Fenton Street towards Silver Spring Ave and disobeyed a traffic control device by entering the intersection when the light was red. Unit #2 (vehicle) was driving west on Silver Spring Ave and had a green light and entered the intersection when the light changed. The bicyclist struck the front driver door of Unit #2 (vehicle).
