

HOW TO RIDE THE VANGO

Check schedule for the stop nearest your location. Wait at the **RIDE ON** bus stop sign. All stops are listed on the VanGo timetable.

- If you are unfamiliar with your destination stop, sit or stand behind the line near the front of the bus and ask the bus driver to notify you when your stop is approaching or watch for the stop on the scrolling sign in the front of the bus.
- Ask the bus driver if you are not sure if the bus goes to your stop.
- Be mindful of changes in the schedule, for holidays or bad weather.
- Please observe the following rules: No eating, drinking, or smoking.
- Electronic devices may be played with earphones set at *low level*.

HOW TO READ A TIMETABLE

- Find the schedule for the day of the week you wish to ride. This will tell you a range of how many minutes there are between buses on certain days and certain times of the day. This will tell you the longest time you will have to wait for your bus.
- You can also use rideonrealtime.com or any of the regional apps that include Ride On for an estimate of when your bus will arrive. Go to rideonbus.com for more information on real time.
