HOW TO RIDE A BUS

Check schedule for timepoint nearest your location. Wait at the blue and white **RIDE ON** bus stop sign. Arrive several minutes before scheduled time. Have exact fare ready (drivers do not make change).

• Not all stops are listed on a public timetable.
• If you are unfamiliar with your stop, sit or stand behind the line near the front of the bus and ask the bus driver to notify you when your stop is approaching.
• Ask the bus driver if you are not sure if the bus goes to your stop.
• If you have internet access (at home or somewhere else, such as a public library), it may be easier for you to use an online trip planner rather than a paper timetable.
• Be mindful of changes in the schedule, for holidays or bad weather.
• Please observe the following rules for all patrons: No eating, drinking, or smoking.
• Electronic devices may be played with earphones set *at low level.*

HOW TO READ A TIMETABLE

• Find the schedule for the day of the week and the direction you wish to ride.
• Find the timepoints closest to your origin and destination. The timepoints are shown on the route map and indicate the time the bus is scheduled to be at the particular location. Your nearest bus stop may be between timepoints.
• Read down the column to see the times when a trip will be at the given timepoint. Read the times across to the right to see when the trip reaches other timepoints.
