WELCOME ABOARD

About The Division of Transit Services

The Division of Transit Services accomplishes an essential mobility mission of Montgomery County by connecting people, communities, workplaces, educational institutions, recreational opportunities and many other essential destinations. To the extent that transit reduces the number of vehicles on the roads in Montgomery County, especially during the rush periods, transit increases the efficiency of the infrastructure. Moreover, transit plays a key role in the viability of the local economy and in the livability of our neighborhoods.

RIDING THE BUS

For your comfort and safety:
➢ Have your fare ready when boarding the bus and understand how to insert the fare correctly.
➢ Move to the rear of the bus so others may board quickly.
➢ Allow seniors and disabled persons to occupy priority seating.
➢ Please do not occupy more than one seat when others need seating.
➢ Close strollers and have children seated for their own safety.
➢ Refrain from smoking, eating, drinking, or spitting.
➢ Use headphones at low volume when playing audio devices.
➢ Stay behind the safety line on the bus when you are standing (Federal Law).
➢ Allow the operator to drive the bus safely by not speaking with the operator while the bus is moving.
➢ As a courtesy, exit from the rear and hold the rear door open for the person behind you when exiting.

ACCESSIBILITY

In accordance with the Americans with Disabilities Act (ADA) and directives from the Federal Transit Administration, Ride On will make every effort, to the maximum extent feasible, to ensure that a person with a disability has access to, and benefits from, its services. All buses are low floor and accessible.
