Convene as Board of Canvassers and Declare a Quorum Present

Mr. Shalleck called the Board Meeting to order and declared a quorum present at 4:00 p.m.

Certification and Audit of Election

Ms. Jurgensen presented five copies of the certification documents prepared for the State Board of Elections. The certification documents reflect votes cast for the respective candidates. Once signed by the Board President and Secretary, copies will be provided to the State Board of Elections, Montgomery County Clerk of the Court, and a copy will be kept on site.

Ms. Jurgensen briefly reported on Voting System Operations, Voter Registration Operations, Polling Place Operations, the Canvass, and Audit (See Attachment A).

Ms. Jurgensen provided Audit reports of Election Day Precinct voting and the number of Absentee and Provisional ballots issued and received. Ms. Keeffe asked why precinct 13-46 reflects two more ballots cast than Voter Authority Cards issued. Ms. Jurgensen responded that staff investigates all issues, and it was concluded to be an election judge error. Ms. Jurgensen stated that due to several errors on behalf of the judges, a new process will be implemented at the polling places to easily distinguish provisional tables for those voters. Ms. Phillips thanked Ms. Jurgensen for doing this. Ms. Jurgensen stated that further reports will be provided at the June Board meeting.

Ms. Keeffe was pleased that 98.4% of the results were completed by 11:00 p.m. She noted that there was a delay in reported results due to Baltimore City's hour extension to close the polls.

Ms. Jurgensen stated that at the May 16 Board meeting she would further discuss her recommendation to have two scanners at each polling place.

Ms. Keeffe inquired what the overall turnout was and Ms. Jurgensen provided her the information. Mr. Shalleck inquired if the turnout information is provided on the Board of Elections' website; Ms. Jurgensen confirmed that it is.

Ms. Keeffe questioned whether a May 16 Board meeting is needed. Ms. Jurgensen said she would not have a lot to report to the Board, but would be asking the Board for permission to send a letter to the County Executive and the County Council to request 170 additional scanners. Ms. Phillips asked if the letter could be discussed by email instead of having a meeting.

Mr. Shalleck stated that the Board of Elections is in compliance with the State Board of Elections in terms of certifying the Primary Election and, in his opinion, the Board of Elections has met the requirements and all documents have been signed and certified. (See Attachment B for draft copies of the documents that were signed at this meeting, and Attachment C for copies of the revised documents signed on May 13, 2016.)

Adjournment

Ms. Keeffe moved to adjourn the Board of Canvassers. The motion was seconded by Ms. Phillips and carried unanimously. The Board of Canvassers meeting adjourned at 4:20 p.m.

Respectfully Submitted,
