Volunteer Recruiters Needed

We're seeking 30 volunteers to work with our recruitment and outreach staff at community events held throughout the county, beginning in August. The positions involve talking to citizens about volunteering to serve as election workers and voting in Montgomery County; including voter registration and early voting. ***This is an unpaid volunteer activity and is separate from serving as an election worker.***

To qualify, you must:

- Be a registered voter in Maryland
- Have served as an Election Worker in Montgomery County
- Be able to read, write and speak the English language fluently; bilingual speakers in Chinese, French, Korean and Spanish are specially needed
- Be able to positively interact with large numbers of people at events
- Be able to stand for an extended period in various environments (indoors/outdoors)
- Be able to describe the activities and duties of election workers (training provided)
- Have your own transportation to and from events throughout the county

Time Commitment:

We attend community events year round on weekdays, in the evenings and on weekends. Events range from two to eight hours in duration. Our goal is to match your availability to our needs for each event.

Training:

Each volunteer must attend and complete a two hour training class held at the BOE Office in Gaithersburg; training includes information on the Election Worker Program, BOE policies and procedures for conducting public outreach and the State of Maryland Voter Registrar training.

To Apply:

Click [here](#) to complete the application or copy and paste this url into your browser: <http://goo.gl/forms/QhsLkFd5gV> to open the application. If selected, we will contact you to schedule your training and upon completion of training, will provide you with our schedule of upcoming events.

Postcard Contest Winner!

Congratulations to our June contest winner!

Janie M. a VOP-Provisional Judge at North Chevy Chase ES sent us a lovely postcard from her trip to London; she also traveled to Paris and Scotland. London seems to be this summer's destination; our May winner also visited there. As our June contest winner, Janie received the *Laundress*, a packable travel laundry kit.

Bilingual Workers Needed

We still need more election workers who are bilingual to assist voters on Election Day; especially people who speak Spanish, Chinese, French, Korean and Vietnamese. Please spread the word to your friends and family about becoming an election worker. Let's make it a good voting experience for everyone.

Working the 2016 elections

In December 2015, we will begin staffing for the 2016 election cycle. At that time we will contact all of our volunteers and ask them to update their personal data, contact information and availability online. There's nothing more for you to do until December; but please remember to let us know if you change your address, email or telephone number.
