

ADVISORY OPINION 90-4 [1990-4]

Thank you for your letter requesting a ruling from the Commission as to whether you may accept reappointment to the Board of Social Services and Community Action Committee in consideration that since you were first appointed to these two boards you have become employed with the Montgomery County government under DHCD block grant.

The Commission has determined that your change in status from consumer to employee with Montgomery County does not prohibit you from serving on two volunteer boards simultaneously. Also, the Commission determined that the duties of the two boards in question do not create a conflict of interest with your employment. Please let us know if we may be of further service to you.
