Promote the value of disability rights and inclusion globally to people with disabilities. Create opportunities to join other disability leaders in the broader cross-disability and international community. Bring together women and youth from many countries to exchange ideas and teach leadership strategies. Provide access to role models of inclusion that illustrate the way forward. Create relationships between disparate groups to create possibilities for partnership and change. Conduct inclusion training and information resources to understand responsibilities and learn directly from people with disabilities. National Clearinghouse on Disability and Exchange empowers people with disabilities to take advantage of the same international exchange opportunities as everyone else, navigating any access barriers along the way.
