Infants and Toddlers Program – Children, Youth & Family Services – Montgomery County Government

240-777-3997 (V) - Childbirth through 34 1/2 months
301-929-2222 (V) - Children older than 34 1/2 months
Local system of early intervention services for children birth through thirty four and a half months of age and their families. When an infant or toddler is suspected of having a developmental delay, a referral is made to the program. Children are eligible if they meet the following criteria: demonstrate a 25% delay in one of the developmental domains, have atypical development or have a high probability condition that would likely result in developmental delays. The program includes a developmental assessment; a review of family concerns; priorities and resources; meetings with the family to develop an individualized family service plan; service coordination to ensure that the individual and his or her family receive needed services which may include but are not limited to physical therapy, occupational therapy, audiology, health/medical services, nursing services, nutrition services, psychological services including specialized play groups or therapy sessions, counseling, speech and language assistance, special instructional services, transportation, and parenting skills development; and ongoing evaluation of the child's progress and his or her changing enrichment needs. These services are provided in a family centered practice model where families participate with service providers to learn skills and strategies to support their children's development. All services are provided at no cost.

Jewish Social Service Agency

200 Wood Hill Road
Rockville, MD 20850
301-816-2633 (V)
www.jssa.org
