Meeting Accessibility Policy: The Commission will make all reasonable good faith efforts to provide accommodations, aides, services, or barrier removal to enable all members and meeting participants' full inclusion. Accommodations are provided upon request with advance notice. Persons requesting accommodations such as sign language interpreters, Computer Assistive Real Time (CART), accessible format materials (Braille, large print, electronic files, and audio format), or other reasonable accommodations are asked to:

- Provide a detailed description of the accommodation needed and contact information;
- Make the request as early as possible, at least three (3) full working days in advance of the meeting;
- Last minute requests will be accepted, but may be impossible to fulfill;
- Accommodations of persons that conflict with each other such as one person requiring the use of a service animal and another person being allergic to animals will be resolved with the staff person.

Taking the steps outlined above will provide the Commission staff with adequate time to best meet the needs of the attendees at its public meeting.
