General Statement of Purpose for Fiscal Year 2022:

The Commission's committee structure for the upcoming fiscal year will include two standing committees: Executive and Government and Community Relations. *Ad hoc* committees are established as needed (e.g., for naming of officers, issues as they arise that the Commission would like to work on and new Commission member interviews). The Commission meets in person or by teleconference on the 3rd Tuesday of each month except in August and December.

Ad-hoc committees and Government and Community Relations Committee will either meet in person or by teleconference. Notice of teleconferences or meetings in person will be given in advance.

The Commission will only act in accordance with our enabling legislation.

The Commission will continue to be proactive in reviewing proposed legislation at the State and local level.

Each member will participate in the work of the Commission, including serving on at least one committee.

The Commission will continue to review and address how Montgomery County assesses needs and delivers treatment to its juvenile justice population.

The Commission studies, reports, monitors, and advocates for the issues identified on the attached pages.
